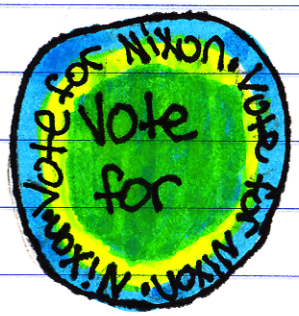
Dear Dianne,

Thanky you so much for guiding the awsome tour of the Nixon Library. I really liked seeing the house Nixon was born in. I also liked seeing the Nixon's helecoptor. I learnd the Nixon had to resighnd presidency because of the Water Gate Conspiracy. Secondly, I learned that President Nixon used to live at the home at the Nixon Library. Lastley, I learned that when Elvis met with Nixon, Elvis gave him a gun. Thank you so much for the tour.


Love,
