VISIT WITH THE CYSTIC FIBROSIS POSTER CHILD CONTINUED:

THE PRESIDENT:

BACKGROUND:

--- the National Cystic Fibrosis Research Foundation was formed in 1955 and now has 150 chapters.

--- It has been hypothesized that children with Cystic Fibrosis may be born lacking a key chemical. This deficiency could account for the faulty functioning of the glands affected.

--- Cystic Fibrosis is transmitted as a recessive trait, which means that both parents, even though healthy themselves, carry a gene for the disease. Children must receive a combination of the two Cystic Fibrosis genes-one from the mother and one from the father-to manifest the condition. It is estimated that there are approximately ten million carriers of this gene in the United States today.

--- The cause of Cystic Fibrosis is still unknown.

It is estimated that your participation will be of approximately 5-10 minutes duration at the conclusion of which you and Mrs. Nixon will be escorted back to your office.

NOTE:

BACKGROUND NOTE:

The celebrated cello -piano team of Zara Nelsova and Grant Johannesen had its beginnings in 1961 when the two artists met for the first time at the Aspen Festival. They married two years later and continued to pursue their individual careers.

Miss Nelsova, Canadian-born daughter of a Russian flutist, was introduced to the cello at the age of four. During her childhood, she played for Casals and he was so impressed that he agreed to teach her. Miss Nelsova has toured the world as a recitalist and soloist during the fifties and sixties, and has had the distinct honor of being one of the first American cellists to be invited to tour the Soviet Union in 1966. Her prize possession is her Stradivarius, known as the "Marquis de Corboron," which dates back to 1726 and is worth over \$70,000.

STATE DINNER FOR PRIME MINISTER GORTON OF AUSTRALIA CONTINUED:

Mr. Johannesen is a native of Salt Lake City and had his early musical training there. At the age of eighteen he went to Europe for scholarship study with Robert Casadesus. Mr. Johannesen has won the International Piano Competition at Ostand, Belgium and has been the recipient of the Harriet Cohen International Award given annually in London for "outstanding artistry in performance."

At the conclusion of the entertainment, you will go forward to congratulate the artists and to be photographed with them by a White House photographer.

You, Mrs. Nixon and Ambassador and Mrs. Mosbacher will then escort the Gortons to their car at the North Portico and wish them goodnight. After the departure, you and Mrs. Nixon will be escorted to the Family Quarters.
