VP

re VP

shld move soon

cut off Jarvis's maneuver

not let him & Eglton bld it up

how to do it -

basis:

P. supply Ag w/ not help P

but Ag supply P will help P

1- Mac. announce

2- Ag "

3- Conn do it on Meet Press

knocks Mac & off news

2 confirm - Ag react

pts to discuss:

- control of his schedule

- stay out of platform

- fit in w/ campaign strategy

don't you become the issue

be non controversial

attack only on issues not personalities

never mention Eglton - only Mac

- you're now in diff league & at a diff time

you have to get equal time

so don't have to be clever & c

do not take on press - in any form

must be no disc. of '6 Policy

P. M. H.
