Dear Mr. Gouzenko:

Mr. Nixon is campaigning in Oregon but before leaving he asked me to respond to your thoughtful letter of April 16 and to thank you for the most interesting printed material that you enclosed.

I happened to discuss your "memorandum" with a publisher friend and he expressed great interest in the possibility of your writing a book. The publisher said he could guarantee a sale of 15,000 copies. If you are interested, you may write:

Mr. Neil McCaffrey
Arlington House

Mr. McCaffrey said that if you prefer you may telephone him collect at area code 914 -- 636-3850. Please be assured that Mr. McCaffrey is a thoroughly reliable person and one in whom you may have every confidence.

Sincerely yours,

Agnes M. Waldron
