MEMORANDUM

TO: Bob Haldeman
FROM: Rose Mary Woods

spl
Wiley Buchanan called the office again today -- in his usual angry mood. Said you were supposed to have had an appointment with some man who was to give \$50,000 and the appointment did not come off. The man is leaving for Europe on Friday.

Said he is still trying to find out whether Mitchell was successful in working out something for Clare Booth Luce. Said "we are missing out on Mrs. Luce because she will soon be leaving for Honolulu."
