Mr. Cloud Wampler
Chairman of the Board
Carrier Corporation
Syracuse, New York

Dear Mr. Wampler:

I have your letter of December 14th regarding the letter from Mr. Nixon for your scrapbook.

I have checked on this and find that Dick did send a letter some time ago, but I have asked his office to send you another copy since it apparently was mislaid somewhere.

If there is anything further you need, please don't hesitate to let me know. I am sorry that we had this problem.

Best regards.

Sincerely,

H. R. Haldeman

Mr. John Clifford Folger
725 Fifteenth Street, N.W.
Washington 5, D. C.

Dear Cliff:

In cleaning up the loose ends which were hanging around when I started on this job, I find that there are two polls which were taken in September which have not been paid for as yet.

It is my understanding that you are familiar with these polls and that they were taken prior to Dick's decision to run to determine the relative standing of the potential candidates.

It is also my understanding that you had agreed to pay for these polls and that they should therefore not be submitted to the local Committee. Assuming this is correct, I am attaching the invoices which total \$7,894.50. Payment should be made directly to C-E-I-R, Inc.

If there is any problem on this, please let me know.

Sincerely,

H. R. Haldeman

Dear Mr. Weigel:

Thank you very much for your letter of December 8th regarding the use of your services in the Nixon campaign for Governor.

We will be handling all of our campaign advertising through the Hixson & Jorgensen Agency here in Los Angeles, and I am taking the liberty of sending your letter on to them in case they wish to contact you regarding possible use of your facilities.

Thank you very much for writing.

Mr. Francis E. Sammons, Jr.
420 Lexington Avenue
New York, New York

Dear Frank:

Thanks very much for writing on December 5th. I am not really sure that I have succeeded in getting another leave without cutting the tie-line. Each time I try this, the reception is a little less enthusiastic, but I trust I'll be back at the old store in December of next year.

I am glad to hear the new business is going well and am sure it will continue to prosper.

You probably see Mary Ripley more often than I do, but Jo does serve on a Board with her out here, so sees her from time to time.

Very best to you and Katy and the clan. I'll give you a shout if I ever manage to get to New York again.

Sincerely,

Dr. C. L. Lippincott
1736 South Sepulveda Boulevard
Los Angeles 25, California

Dear Dr. Lippincott:

Jo calls me that in her last visit with you, you indicated an interest in the Nixon campaign and a willingness to be of help.

I wonder if this interest would extend to some organizational activity among other veterinarians? We would like to form a "Veterinarians for Nixon" committee and I thought you might be able to be of help in getting this under way.

Another area in which your assistance might be extremely valuable would be in giving us some guidance in what the failings of the present administration in California might be in the field of veterinary medicine, and any thoughts you might have on a constructive program for a new Republican government in this field.

I don't want to load you with work, but we need the help of everyone we can get, so I did not want your offer to go unheeded.

Best regards.

Sincerely,

H. R. Baldwin

Republican County Committee of Onondaga
509 Lincoln Bank Building
Syracuse 2, New York

Dear John:

Thank you very much for the check covering reimbursement of expenses for Mr. Nixon and myself in connection with the Syracuse Dinner.

I was, of course, very pleased to hear that you wished to make a contribution to Mr. Nixon's campaign fund and can assure you that all such help is extremely welcome, especially at this stage in the campaign. I would suggest that you draw your check to "Nixon for Governor" and send it to me in an envelope marked personal at 3908 Wilshire Boulevard, Los Angeles 5, California.

Dick still talks frequently about the Syracuse Dinner which he considers the epitome of efficiency and effectiveness for such affairs. He keeps telling the people here that they ought to go to Syracuse and learn how these things can be done.

Very best personal regards.

Sincerely,

H. R. Haldeman

Re: Processing Payments

You asked that I confirm in writing procedure presently in effect for processing all payments by the Nixon for Governor Finance Committee. We are handling this as follows:

(a) Payroll

Present staff list and pay rates are in the Treasurer's hands and since these have all been authorized, he is issuing checks on the 15th and 30th of each month. Additions to the staff are confirmed to the Treasurer by memorandum from me with authorization as to rate and starting date.

(b) Normal Expenses

Current operating expenses including supplies, equipment rentals etc. are submitted to the Treasurer semi-monthly after I have O.K'd them.

Reimbursement for personal expenses by staff members are handled in the same manner.

(c) Haldeman's Expenses

My expenses will be itemized and submitted to you for approval prior to payment by the Treasurer.

(d) Extraordinary Expenses

All items outside of normal operating expenses covered by the temporary budget will be submitted to you for approval before payment by the Treasurer.

It is my understanding that as soon as the permanent Finance Chairman is appointed, all expenses currently being submitted to you for approval will instead be submitted to him.

Dear Jean:

Your letter of December 12th was received too late for us to supply the letter of greetings from Mr. Nixon to the Teen Age Republicans. Sorry it happened this way. You know, of course, he likes to fulfill such requests.

In the future, it would be very helpful if you would include a suggested draft of the type letter desired. This would expedite it, and would be very much appreciated.

Sorry we missed connections this time.

Best regards.

Mr. Don Searle
117 North Glenroy Avenue
Los Angeles 49, California

Dear Don:

I gave Dick your message regarding Fred Searle's reaction to his tape, and he was glad to hear it was successful.

It looks to me as if you planned your trip around the world at precisely the right time to miss most of the Gubernatorial Campaign activity.

Your offer to supply tape recordings would be most welcome at a later point in the campaign, but unfortunately I don't think we can take advantage of it before you head for the hills in January.

We do very much appreciate your generous offer and maybe we can take you up on it when you get back in September. In the meantime, have a good trip.

Sincerely,

R.F.D. 4

Dear Mr. Blackett:

Please forgive this long delay in replying to your letter of October 31st to Mr. Richard Nixon. The letter did have to follow a rather devious route before it reached him, and then he held up replying until proper procedures were set up for handling out of state donations.

Your offer to contribute \$1,000 to the California campaign is very much appreciated by Mr. Nixon. As you know from past experience, your presumption that money is harder to get during the primary is certainly correct.

May I suggest that you make your check payable to "Nixon for Governor" and send it to me, marked personal, at 3908 Wilshire Boulevard, Los Angeles 5, California.

Best regards.

Dear Mr. Woods:

I note in the December issue of CADLE News that you, as President of CADLE, have been asked to contact the candidates for Governor of the two major parties requesting information on their plans for the Department.

I understand that your members have a number of thoughts regarding action or inaction on the part of the Governor of California over the years, and I would be very much interested in learning from you what you feel has been neglected or mishandled in the past, and also what positive steps you feel would be advisable for the future.

If you are going to be in the Southern California area in the near future, perhaps we might be able to get together to discuss this. If this is not possible, I would suggest that you meet with one of our Northern California people and would be glad to set this up at your convenience.

Would you be so kind as to give me an indication of your current plans and any thoughts you wish to express at this point.

Thank you very much.

Re: George Gearn

The man we would like to spring from General Electric is George Gearn who is a salesman in the Large Lamp Department of the Pacific Sales District. His salary rate is \$14,000.

He resides at 11725 Vineyard Avenue, Castro Valley, California.

The Northern California Committee is counting heavily on George as ~~the key to making a success out of the Contact Division -- especially in administering the "WIN" program.~~

I hope you will be able to persuade Ralph Cordiner to make him available.

Dear Tom:

Thanks for your advice on the San Joaquin County Safety Council invitation. We will follow your suggestion and skip this one.

I agree with you that the possibility of Dick bestowing the Alumnus of the Year award on Eddie LeBaron would be a much better opportunity for an appearance in Stockton. I have referred this to our Schedule Committee and hope that we will be able to adjust Dick's schedule so that he can be there on May 5th. We will let you know one way or the other very shortly.

Be sure to let us know of any other possibilities of this sort that may arise.

Pat Hitt (Mrs. Patricia Hitt, 18102 S. This should be seriously considered in planning for Kern County appearances.

MEMORANDUM

TO: STRATEGY COMMITTEE

FROM: BOB HALDEMAN

SUBJECT: CALIFORNIA PETROLEUM MARKETERS COUNCIL

I talked to Charles Morley, Executive Secretary of the California Petroleum Marketers Council, at HO-3-0595 on December 5.

Morley says that this Council is a Trade Association of petroleum wholesalers and distributors. They have not previously engaged in any political activity, but do intend to be active this year to the extent of endorsing and contributing to selected candidates.

The major oil companies are not members of this Council but their distributors, in many cases, are. Richfield and Standard, for instance, have a number of distributors who belong. Superior Oil does not. The group represents 10,000 retail units in California out of a total of 26,000. They say they are friendly with the others.

There are two associations of retail units: The California Federation of Service Stations and the International Service Station Association. Both of them advocate state control of the industry and both are quite unpopular representing together less than 1% of the retailers.

Morley says he would like to work with our staff and make available the facilities of their public relations firm. He says it is his firm conviction that his group will endorse Nixon for Governor. He advises that the number of the "Serve-Yourself" station operators have met and their Executive Secretary tells him they are going to support Shell.

MEMO: TO BE FILED

FROM: BOB HALDEMAN

SUBJECT: OFFERS TO HELP

Mr. J. K. Dysart, Vice President in charge of Sales of the Leech Corporation, 18435 Susana, Compton, California, Phone: NEvada 6-1061, is anxious to be of help in the Campaign. His home address is 15717 Sunset Blvd., Pacific Palisades, Calif. Phone: GL-4-2723.

His wife is also anxious to be of assistance.

He gave Pete Flanigan this information on December 5.

December 6, 1961

Mr. Richard St. Johns
O'Melveny & Myers
433 South Spring
Los Angeles, California

Dear Dick:

I would naturally like to postpone setting firm dates for autographing appearances in the four California cities (Los Angeles, San Francisco, Sacramento and Whittier) as long as possible.

I would appreciate it if you would let me know when these dates will have to be confirmed and also - as soon as you can - give me a tentative idea of approximately what dates you and McCormick would like to have.

We would, of course, want to schedule San Francisco and Sacramento at times when he is in the area so as to avoid skipping back and forth around the State.

Let me know what you have in mind and we'll try to work it out.

Very best personal regards.

Sincerely,

H. R. Haldeman

Dear Murray:

I would like to get a reading from you on Jim Wilbur and will plan to discuss this with you when we next meet.

He has sent me a resume and I met him very briefly in Santa Maria last weekend but would like your evaluation of him.

See you soon.

Very truly yours,

H. R. Haldeman

Mr. Philip L. Boyd
White Park Building
Ninth and Market Streets
Riverside, California

Dear Phil:

First, let me correct my home address for you, since the Robert Haldeman to whom you addressed your letter is another individual who also lives in the Pacific Palisades and who is at present, as you can imagine, receiving a great deal of my mail.

My home address is 550 Spoleto Drive, Santa Monica, Calif.

We did, indeed, enjoy an unusual evening at the Jonathan Club and I certainly appreciated John's making possible our chatting again after many years. I certainly understand your reasoning regarding the timing of Bill Knowland's help and am very much aware of the situation regarding the "Right to Work" issue.

We, of course, recognize some potential problems with the forthcoming book, as you outline, but I think it will also have some counterbalancing advantages in the California Campaign. Some of these would include the reaffirmation of Dick's position and long record of leadership in the fight against Communism; the detailed clarification of the 1952 Fund Case -- which should help to counteract some of the current phony smears --; and a number of details regarding the 1960 Campaign which are pertinent in the forthcoming California election.

In any event, the commitments and contracts on this book were made prior to Dick's declaration for Governor and, in view of this and the amount of money involved, it would seem at this point to be unwise to hold it up.

2.

Mr. Philip L. Boyd
December 6, 1961

As you suggest, however, Dick will be developing a series of articles and statements on the State of California's growth opportunities during the '60's which will outline his interest and programs on the issues you itemized.

I certainly understand your position in regard to Knight but I hope that it will not preclude our drawing on you for some advice and counsel behind the scenes.

I completely agree with you that Brown will increase in strength between now and the election and that we must operate on the basis of leaving no stone unturned.

Thank you very much for your thoughtfulness in writing. I hope we will have an opportunity in the months ahead to discuss some of these things in detail. I would especially like to ask you for some help on the educational program when we get into some of the details in that area.

In the meantime, best regards.

Sincerely,

H. R. Haldeman

Mr. Thomas E. Ross
Ross Associates
870 Market Street
San Francisco 2, California

Dear Mr. Ross:

Thank you very much for your letter of December 1 regarding the possibility of your participation in the forthcoming Campaign. As I am sure you realize, I had written you in November in order to determine your present status as a result of your communication to Mr. Nixon's office earlier this year.

Your assumption that we are looking for experienced campaigners to devote their entire energies to the forthcoming battle is correct, and that is what I had in mind in writing you. I certainly understand your situation with regard to present commitments which limit your availability in the coming year.

For your information, we do not plan to retain a political management firm for this Campaign and, of course, Whitaker & Baxter would not be available to us in any event because of their assignment on the Christopher Campaign.

We do plan to retain an advertising agency in Northern California to work on a cooperative basis with our agency in Southern California. Since the Southern agency has not yet been selected, it would be too early to discuss plans for the North.

I appreciate your interest and, at the proper time, we will be in touch if it appears that something might be worked out on the basis that you outline.

Thank you very much again for writing and best regards.

Sincerely,

H. R. Haldeman

The Honorable John G. Tower

Dear John:

As you can deduce from the letterhead, we are back in the old business again, although at a slightly different stand. At the moment, we are up to our ears in the early stages of organization, and are very much aware that we have a rough fight ahead of us, but I am sure we will win it.

Before we get totally buried in the pressures of this new Campaign, I have a personal request. As a memento of our national effort in 1960, I would like very much to have a photograph of you suitably inscribed with a reference to our work together in the Presidential Campaign.

I hate to impose upon your time with this request, but I would certainly appreciate your cooperation.

In the meantime, very best regards.

Sincerely,

MEMORANDUM

TO: BOB HALDEMAN

FROM: CHARLIE FARRINGTON

SUBJECT: WIN PROGRAM

In discussing the Win Program at lunch today with Jack Harriman and Norton Norris, it was agreed that it would be most helpful to have a run-down on the basic requirements of this type of an activity from Senator Hiram Fong.

Although his thinking might not be entirely applicable to the California situation, a general briefing on the approach which should be taken and the main objectives to be sought would probably give us something more concrete from which to work in the development of our own plans in this area.

Would it be possible, therefore, for you, or someone, to contact Senator Fong with this request at the earliest opportunity?

Mr. John F. Garvis
18 Evers Street
Hicksville, Long Island, New York

Dear Mr. Garvis:

In view of the increasingly heavy demands of his legal and political commitments, Mr. Nixon has asked that I reply to your interesting and thoughtful letter concerning your desire to assist his Campaign for Governor of California.

While it is not contemplated that the full structure of staff and volunteer personnel for this effort will be completed until early in 1962, the budget for the Campaign will prevent our utilizing the services of individuals from outside the state at any level of this organization.

You should know, however, that Mr. Nixon was greatly impressed by the generous tone of your letter, and that he deeply appreciates your sincere expression of support.

Very truly yours,
