Mr. Stanley L. Lothridge
Nixon-Lodge Campaign Headquarters
1146 19th Street N. W.
Washington 6, D. C.

Dear Sir:

Enclosed please find the clippings that appeared in The Athens Messenger and the Ohio University Post before and after Mr. Nixon's recent stop in Athens, Ohio. All of the items which appeared prior to the visit of Mr. Nixon were the result of the efforts of the executive committee except the editorial which appeared in the Tuesday, October 18th edition of The Athens Messenger. The items appearing the day of and following the stop were news items prepared by the respective writers, the one by Roy Cross which sets the estimate of the crowd at 6000 is low, however, Mr. Cross is a leading democrat.

Yours truly,

R. J. Jones, Jr.
