So that there is no confusion, check back with Nell. Chapin, as I understand it, now wants to have two meetings. One will be held Tuesday afternoon -- on the convention -- and I think we have the list of people who will be in that meeting.

In addition, he wants to hold another meeting with Bob on Wednesday afternoon to discuss the films they are doing. At that meeting, I'm not sure who is going to attend. I believe Moore and Chapin -- probably Carruthers and David Wolper of Wolper productions. The second meeting in particular should be checked.

HIGH PRIORITY

MEMORANDUM FOR: H. R. HALDEMAN
FROM: DWIGHT L. CHAPIN
SUBJECT: Polling Information

I think an issue should be made of our trying to obtain polling information from the second wave. Last Saturday a memorandum was sent over from 1701 to your office which contained the information we need for proceeding with some schedule planning and trying to get a good feel as to the situation in various parts of the country and where we should concentrate. That information was sorted through and on Monday was put into different form. On Tuesday we met with Teeter who had some sheets of paper with him but we were not allowed to get hold of these pieces of paper. We ended the meeting, hoping to get within the next day or so a written description of the polling information, or at least figures so we could interpret them ourselves. Before noon yesterday the information was delivered from 1701 to your office and so far it has not shown up here.

We are doing some rough campaign plans so as to spark some comment from you and give you some materials to work with should the President want to start talking about the campaign. We can't get our work done because we can't get the information.

It's a little disconcerting to feel the massive screening process has to take place prior to my getting the information. I could get hold of the information immediately directly from 1701 if I wanted to go that route. 1701 is a little confused as to what's going on and, needless to say, I am too.

FROM: DWIGHT L. CHAPIN *D.L.C.*

SUBJECT: Miami Survey

The following are some of my follow-up notes regarding the survey from last Saturday:

1. It is essential that working with Alex and the Vice President's office we keep good control over the environment around the Presidential box. If Cabinet officers are not using their seats we should participate (via Alex) to insure the right people take their places. (Walker)
2. The Presidential box should be moved according to our discussion. The Vice President's box would be on the aisle near the exit. (Walker)
3. The TV platform should be moved. This is very important -- and right! (Carruthers and Walker)
4. A trailer must be placed outside the hall at the First Family entrance for holding room purposes. (Walker)
5. Using all of the buses around the First Family entrance area to guard against bombs is something you should challenge. It just doesn't sound right to me. (Walker)
6. George Smith will design a special front for the Presidential box. We should see a drawing of that for Timmons and others to approve. The red carpet should lead down the aisle to the box and it should be the entrance to the Cabinet boxes also. In the Presidential box use arm chairs. The blue ones like on the floor will work. MEMORANDUM FOR: DWIGHT L. CHAPIN
FROM: WILLIAM E. TIMMONS *WET*
SUBJECT: White House Personnel Attending the
Republican National Convention

Attached is a list of White House personnel assigned to you whom I propose attend the Convention. The number of staff unfortunately must be limited due to budgetary, transportation and room constraints. The tone of the Convention is serious and working. Consequently, I must ask for your cooperation in keeping the number of White House personnel attending the Convention to a minimum.

The White House staff, Cabinet and Administration officials, and the Re-Election Committee staff will reside at the Doral-on-the-Ocean in Miami Beach. The Committee has contracted with Eastern Airlines for three chartered flights to Miami on the following dates: August 11th, August 18th and August 19th. The departure date for each staff member is indicated on the attached list. They should plan on arriving not later than 9:30 a.m. at the Washington National Airport, Page Terminal, using the Commuter Entrance at the south end of the facility.

A motor pool will operate at the Doral from August 11th. Beginning August 18th in the Doral we will have a staff mess, serving three meals a day. Prior to the 18th, authorized staff members will be given a small per diem allotment from the Re-Election Committee for meals. Hotel rooms have been prepaid. However, all other charges and incidentals must be the responsibility of each individual staff member.

Convention tickets will be provided. Secretaries and some other staffers will have to share rooms, therefore we are not encouraging spouses to attend.

If you concur, will you please notify all those on the attached list. If you have any questions please call Stan Anderson on extension 2246.

See you in Miami!

I am not going to have time to have time to spend in listening to the music for the Convention. Why don't you take over that responsibility and make sure that the numbers that they are going to play are appropriate and are the lifting type music that the President would want. I don't know what day they are going to have the band rehearsal -- I think it is Sunday -- so you should plan on being there. I will try to be around also.

Dwight -

You were magnificent! The success of the convention is the direct result of your outstanding contributions and we're all proud of you. However, I'm glad it is behind us & I hope I never have to do another one! We did have some fun those hectic days (months?) and I trust all the gang is pleased.

Best always.

Dear Senator Scott:

I am sorry I cannot attend the reception honoring Pete Domenici, Republican candidate for the Senate from New Mexico. I do share your feeling that he is an outstanding candidate and I wish I could be there to meet him personally and wish him well.

With kind regards,

Sincerely,

Dwight L. Chapin

OFFICE OF THE MINORITY LEADER

WASHINGTON, D.C. 20510

August 25, 1972

Mr. Dwight Chapin
5113 Baltimore Avenue
Washington, D. C. 20016

Dear Mr. Chapin:

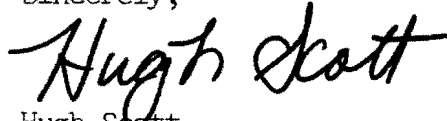

You have been invited to a reception in honor of our Republican candidate for the Senate from New Mexico, Pete Domenici. I want you to know that I consider this a key race worthy of your closest consideration. This is one state where our Party stands to make a net gain in a long-time Democratic stronghold. We cannot approach the prospect of a majority in the Senate without this seat.

Happily, we have the man for the job. Pete Domenici is a proven vote-getter and accomplished campaigner with a fine public service record. He looks forward to being part of the President's team and spares no effort in his hard-hitting campaign. You will be pleased when you meet him. He's a well-balanced man of good judgement who can be counted on to get the facts on an issue and act from mature reason rather than half-baked emotion. In short, he's the kind of man you and our Nation need in Washington.

New Mexico Republicans are proudly straining their resources for the President and Pete Domenici. You're feeling pretty well strained yourself by now! But this is an opportunity you might not have again. The Democratic Senate will be there with a vengeance in January unless you help make it otherwise.

Come meet Pete Domenici. I look forward to seeing you.

Sincerely,

Hugh Scott
Minority Leader
U. S. Senate

P. S. You may call (202) 484-5525 to make your reservations.

Dear Mr. Chapin:

A few days ago you received an invitation from me and ten of my Senate colleagues to attend a reception for Congressman James McClure, the Republican candidate running for the Senate seat from Idaho.

This note is simply a reminder that the event is scheduled for Wednesday, September 27th at the Sheraton Carlton from 5:30 to 7:30 p. m.

I think this occasion will provide an opportunity to meet with old friends as well as make new ones, and I look forward to seeing you there.

With warm regards, I am

Cordially yours,

FROM:

DWIGHT L. CHAPIN

I know you don't want me involved with the Inaugural, but someone better get in for the White House side. We were in from the start of the Convention and the same should be the case on this. Television, as always, is most important. Let's run it our way. It's your decision. If controls aren't placed now, you will have to live with what you find November 8. The firm order should be -- No decisions until November 8. Tell the District government to hold off all planning.

Dear Dwight:

Thanks for all the guidance and leadership on election night. It was certainly helpful to have someone to turn to for important decisions.

I hope you were satisfied with the event. Obviously there were things that could have been done better but on balance I thought everyone performed well. As usual, the Chapin/Carruthers operation was spotless for which I thank you.

Dwight, again thank you for all the help. I hope to see you from time to time in the future.

Sincerely

Dear Dwight:

Last summer I decided that I should wind up my service at the White House with the conclusion of the President's first term. Now that this time is at hand, I am preparing to head South when Santa comes and hitch a ride to Columbia on his way to the South Pole.

Before leaving, I want to let you know what a tremendous pleasure it has been for me to work with you in the interest of our great and very successful President and to thank you for all your splendid cooperation.

My plan is to try to defend miscellaneous chicken thieves in South Carolina for a while. So, if you ever get in trouble passing through you'll know where to find the most loquacious shyster below the Mason-Dixon.

Again my thanks, and with best wishes for a very Merry Christmas and a Happy New Year, I am,

Sincerely,
