Dear Daddy,

I talked to Mammie this afternoon. She is out on The Desert now and several of her friends telephoned her to say that your Chicago speech Tues. night (which was beamed to Los Angeles) was the best speech you have ever given!

Love,
Julie

Dear Mac:

It is hard to realize that 25 years ago we were celebrating that first victory which sent me to Congress. There have been many great days since then but none will ever equal that campaign or the thrill of that particular day. Without your help we couldn't have done it.

Pat joins me in sending our very best wishes and our grateful appreciation for your loyal friendship and support through the years.

Sincerely,

Honorable McIntyre Faries

Dear Cave Men:

This is to advise that I substituted temporarily for Bob Swain on Cave Man's Membership Committee and that the Committee then approved for membership in our Camp Bob Swain's son-in-law, Bruce Cole. You will recollect that Bruce was a guest at Cave Man two years ago and last year he visited Camp on various occasions while staying at Bromley. Bruce is a delightful young man and will make a fine addition to our Camp. We are fortunate to have him.

With best wishes to you all, I am,

Sincerely,

Allan Hoover
Captain

AH'lc

P.S. It is not too early to start thinking about your guest for next Summer!

November 11, 1971

Dear Duke:

It was most thoughtful of you to send me the generous supply of slacks. I have never seen so many different and handsome fabrics and colors. The slacks fit perfectly and I have followed your suggestion that I keep some in Key Biscayne and at Camp David -- and I plan to take some out to San Clemente the end of this month.

If I don't relax when I visit any of these three places it certainly won't be your fault! Seriously, I am most grateful for your generosity and I hope it won't be too long before I will have the pleasure of thanking you personally.

With appreciation and warmest personal regards,

Sincerely,

Mr. Duke Rose
