Re.: Nixon Rally At
Quincy, Ill.

Dear Stanley:

Please pardon my delay in sending you the various copy used in conjunction with Quincy's Nixon Rally held at Baldwin Field on Friday, October 28th., 1960.

Due to the tremendous pressure of the campaign, and not leaving anything to chance, I have been kept quite busy.

Here is the set-up with regard to the news media in our Gem City of Quincy, Illinois:

One Newspaper: The Quincy Herald-Whig (A Daily)
Two Radio Stations: WTAD & WGEM (AM & FM)
Two Television Stations: KHQA-TV, Channel 7.
WGEM-TV, Channel 10.

Whenever I furnished copy to the Herald-Whig I also sent similar copy to each Radio Station and T. V. Station as well.

In some instances, I did not retain copies of the date given the Radio and T. V. Stations. However, I am sure you will recall the conditions under which we were working, and can understand what I mean.

If there is anything else you require, please let me know, and I will try to oblige.

Election day is just a couple of days off-- I know that we are all proud of our candidates and have given our best to the cause. May I close by saying: Ours will be a complete and glorious victory for Dick Nixon and Jebot Lodge!

Sincerely,

Arthur Francis Stowell
