Dear Mr. Parks:

I am delighted to have received your offer of ideas concerning how to reduce the budget. Your experience in preparing budgets for several state agencies while working for the Department of Finance would be invaluable in identifying for us areas where economies can be effected.

I would hope that it might be possible for you to write us concerning these matters at your earliest convenience. If, however, you feel it is necessary to discuss this matter personally, I would be most happy to arrange a meeting with you. If you will call Sophie Telfer at Madison 3-6227, we can try to arrange a mutually convenient time.

Cordially yours,

Houston I. Flourney
