(A) The eight states each awaiting final \$2,000 - \$2,500 are covered by commitments from The Honorable Guilford Dudley and Pier Talenti. I have checked with these states and this hold-up has evidently not caused any problems.

(B) Florida -- owe 12.8 -- due to limitation on size of individual contributions. Most of present commitment will have to be made by Mr. Green.

(C) Maine - G -- owe 13.5 -- due to reporting requirements, no funds may go to this effort from Agent account. Ned Harding has covered our commitment and there is no problem in either Maine or Florida.

(D) Over-runs result from contributors who have been led to believe or who choose to believe that they may select which candidates they support. As an example, Tom Pappas committed to us for 25 and was given a list of candidates who required immediate support. Unfortunately, a representative of the Republican National Finance Committee met with Pappas prior to the delivery of his checks with the result that instead of the promised 25, we received only 13, of which only 8,500 was payable to candidates for whom we had specifically requested support.

DETERMINED TO BE AN ADMINISTRATIVE MARKING THE WHITE HOUSE

MEMORANDUM FOR: H.R. HALDEMAN
FROM: L. HIGBY
SUBJECT: YR Program in Utah and North Dakota
and New Mexico

Jack Gleason has talked to Blackwell of the YR's and reports the following:

The program is set and is going in Utah - no financing needed.

North Dakota is 90% set but needs \$1000

New Mexico is just getting underway and there is a need for \$5,000 and assistance here. They are having some money problems.

Gleason reports that we don't need to take our own money to get this job done. It can be done by instructing the RNC to give Blackwell's people the money. For example, he has just received \$10,000 from Kendall, \$5,000 of which was to go to our operation and \$5,000 to the RNC. Gleason indicates that he can have the \$5,000 that was originally directed to go to the RNC be committed by the RNC to the New Mexico situation.

APPROVE H , DISAPPROVE _____

He will also tell the RNC that the first \$1000 that is sent to North Dakota during the upcoming weeks is to be marked for the YR movement.

APPROVE H DISAPPROVE _____

We discussed briefly yesterday the Kevin Phillips' proposal that this operation also be set up in Nevada. Would you also like me to have Gleason call and get in touch with Blackwell re Nevada and do some funding work there or forget it.

Have Gleason call _____ NO _____

I will report the decisions you make above to Gleason.

For H political feb.

MEMORANDUM

July 23, 1970

Following are the conclusions of the meeting 7/22/70.

35 states elect a Senator in 1970.

States which undoubtedly should not receive dollar assistance -- 13:

Arizona	Illinois	New York	West Virginia
California	Michigan	Pennsylvania	
Delaware	Mississippi	Virginia	
Hawaii	Nebraska	Washington	

States to watch -- possible dollar assistance -- need more information -- 9:

Connecticut	Maryland	Texas
Florida	Missouri	Wisconsin
Indiana	Ohio	Wyoming

States to assist -- 13 -- We agree that:

1. No state will receive more than the total outside need of that state as assessed by our group.
2. Timing will be geared to avoid the problem of candidates' financial committees becoming lazy. Big money shouldn't go before September -- Emphasize media.
3. Money may be allocated whether or not the primaries have been completed, if necessary.

MEMORANDUM

THE WHITE HOUSE
WASHINGTON

H
✓

October 16, 1970

FOR: H. R. HALDEMAN
FROM: MURRAY CHOTINER

Senator Dole just returned from Maine. He concurs in this recommendation.

Bishop needs \$10,000 to complete his mailing.

Muskie apparently is not as much of a fairhaired boy as some people thought.

Every vote we take away from Muskie will help our candidate for Governor, Attorney General Erwin.

What is the answer?

P.S. It can come out of the \$75,000 I saved in Wyoming.

Dear Bob:

Here's a list of the people I approached for contributions during my recent assignment. I've shown mailing addresses and the suggested salutations.

The enclosed list will match up with the list I sent to you on the 6th. Certain people on the list should not receive thank you letters from the President (e.g., Perot, Shaheen, Wyly, etc.); the decision on which people should not be thanked should be based largely on the footnote sheet attached to the November 6th mailing.

Probably he would want most of these people on his Christmas card list.

Regards,

Herbert W. Kalmbach
