Meeting w/ Colson - 9-29-72 4:45 p.m.

NBC may give us time to  
answer Cassie Macker

NBC wants us to rebut Macker:

Eg. MCG has proposal X -  
12 million have earned less  
than \$4,000. - working poor -  
this is right.

Find R.N.'s quotes on defense

Confiscation of wealth - not  
total confiscation but enough.

---

Then talk about strawmen.

Get  
Security  
Analysts  
speech

have not  
dealt w/  
problems of  
working  
poor.

Colson - 9-30-72 2:35 p.m.

---

MCG has specifically made these proposals (Defense) & never backed away from them.

Reference - Security Analysts  
document all quotes -  
- working poor. He acknowledges  
the problem & has no solution  
& has ~~by omission~~ <sup>acknowledged</sup> admitted by this way  
that his first priority is those on  
welfare.
