THE PRESIDENT'S OFFICE

Mr. President

A handwritten signature, likely "John F. Kennedy", is written in cursive and enclosed within a large, hand-drawn oval.

171-112

Monday A.M.

Dear Mr. President,

To attempt to adequately thank you for an always to be remembered experience is impossible. I know.

As a country boy from Rolling Hills, I did not believe that the past few days could ever happen to me.

The Irish Evening at the White House, Tricia's engagement announcement, Pat's Birth day Party, Camp David, and most important, just feeling a small part of these exciting events, make me realize how very fortunate I am.

May I also say that I believe you are performing an outstanding service for the country and the world.

Your cause and your actions in Indo China will finally get through.

To all thinking people.

Also, for what it is worth, ~~our~~ our own businesses increased more than ten percent in volume for 1970 over 1969 and the first quarter of 1971 appears to be accelerating at an even greater rate. I'm also betting that the G.P. will exceed one trillion, one hundred billion in 1971.

Shortly after Labor Day 7 1967, I wrote - "Thank you for permitting us to have Pat, Julie and you with us in Rolling Hills - Helen and I truly believe that you are the only one who can make this world safe and decent for our children and grandchildren".

We mean those words now more than ever.

Again, many thanks and God Bless You, and please let me know if there is anything I can do to help -
Love,
Jack.

March 2, 1971

Dear Phil:

Until I read the reports in the press a couple of weeks ago I was not aware that you had been having such a rough time over the past few years. I hope that this whole episode has not been too embarrassing for you and your family. The difficulty is that any relative of anyone who holds the office of President inevitably will be subjected to unfair publicity stories.

I recall those days when we used to work together in the store, and I hope the time will soon come when you will feel as well and be of as good cheer as you were in those days.

With warm personal regards,

Sincerely,

Dick

January 5, 1971

Miss Rose Mary Woods,
Secretary to the President
The White House
Washington, D. C.

Dear Miss Woods:

You are most kind to write as you did on December 29 in response to the suggestion I made through Mr. Bob Guthrie for the President to have a pair of his golf shoes repaired by my long time friend, Victor Benveniste, 1375 Peachtree, N. E., Atlanta, Georgia.

I can well imagine that your wonderful boss doesn't have the chance now of wearing out his golf shoes and so I will just suggest that if he does have a pair of favorite street shoes Vick would certainly like to treat them with love and care. I would like to leave this in your good hands to handle as you feel appropriate.

Lastly, I hope you will tell the President that I still look back with nostalgia to that day some few years ago when we both were together involved in the sand and heavy rough at the National Golf Links at South Hampton.

Happy New Year,

Charlie Yates

FORMER MEMBERS OF CONGRESS

March 16, 1971

Dear Fellow Member:

Now that our first annual "Alumni Day" celebration has been held successfully on the floor of the House of Representatives, I want to report to you that the comments we have received after the event from sitting Members and others have been heartwarming. We should feel confident that we have established a tradition that has gained widespread acceptance. Enclosed are the Congressional Record coverage of the proceedings and some related newspaper stories.

At the General Membership Meeting held on the morning of March 4, a Board of twelve FMC members was elected. They are: Brooks Hays, President; Walter H. Judd, Vice President; A. S. Mike Monroney, Secretary; Homer Ferguson, Treasurer; E. Ross Adair; Jed Johnson, Jr.; Edna F. Kelly; Howard W. Pollock; Robert Ramspeck; Benjamin Reifel; James E. Van Zandt; and Ralph W. Yarborough. An appropriate new letterhead will be prepared as well as a new brochure, reflecting our current membership of 364.

As had been promised in earlier letters, the Congressional Record reprint of the White House Prayer Service of last Fall is being sent to you in this mailing.

I would like to remind you that dues for the year covering March 4, 1971 to March 4, 1972 are now payable. Please make your check for \$25.00 payable to FMC and mail it to the below address as soon as possible.

Since we have now been awarded tax-exempt status by the Internal Revenue Service, let me urge you to help us obtain foundation and other financial assistance to enable us to carry out the program spelled out in our brochure. We are especially anxious to undertake the oral histories of our membership, to provide a historical record of the Congressional decision-making process. Please let me know at your earliest convenience if you can be helpful in this regard or if you would like additional information.

BOARD OF DIRECTORS

Brooks Hays, Walter H. Judd, Co-Chairmen

Homer Ferguson Jed Johnson, Jr. A. S. Mike Monroney Thruston B. Morton Robert Ramspeck James E. Van Zandt

300 NORTH LEE STREET, ALEXANDRIA, VIRGINIA 22314 • (703) 836-4056

The Board has voted to prepare a directory of our membership and I would also appreciate your returning to us the enclosed data sheet, indicating if you would prefer a different address being listed than the one presently used.

The question of continuing March 4 as the date of the annual meeting was considered by the Board, in view of the concern expressed that the possibility of bad weather would limit attendance. Because March 4 has been set as the "Alumni Day" date in our Bylaws, because of the historic significance of the date, and because of the problems of having the Congress schedule the celebration at a later date, the Board concluded that March 4 should be given an additional trial for one more year. The matter can be reviewed, however, at the next general meeting, tentatively scheduled for early Fall.

I will be keeping you posted on developments as they occur, especially the status of our Congressional Charter legislation.

Sincerely,

A handwritten signature in cursive script that reads "Brooks Hays". The signature is written in dark ink and is positioned to the left of the typed name.

Dear Helen and Arnholt:

It was such a pleasure to see you in Washington and I greatly enjoyed being at your reception. Also, it was most gracious of you to let me bring my brother Joe and his wife. All of us hated to leave and go downstairs into that crowded room where you really can't visit with anyone!

Our stay in San Clemente proved to be so busy that I had to work four nights and we worked most of the day on Sunday. I shall hope for better luck on our next trip as I would love to see you.

With fondest personal regards,

Sincerely,

Dear Earl:

As you will note from the attached, I did not forget your request for the names of news media types who travelled on various trips with the President during the time he was Vice President. We found this list in going through some of the files from the Vice Presidential days. You will readily note that some are now with other papers or organizations, and a few are deceased.

Dear Earl:

At one point you mentioned that you were trying to get together a list of people who went on various trips with the President during the time he was Vice President.

If you are still interested in that, I will dig out all of the names that I can find, but I don't want to do this unless this is a project in which you are really interested. Please advise, as I have already started to pull some of the names.

MEMORANDUM

TO: Lucy Winchester
FROM: Rose Mary Woods

Last week I had a call from Bill Harrington who has orchestras in New York and in Washington (and who played for Julie's wedding reception) asking that he be given consideration for Tricia's reception.

Then today I received a call from Reeves Bunting from the Republican Committee in Philadelphia saying that an orchestra leader - Mark Davis of Philadelphia had told one of his competitors that he had been asked to bid for the job of playing at Tricia's wedding reception. Reeves would like us to put the following orchestra group on for consideration (they are friends and the father of one of them is a big supporter of the Republican Party in Pennsylvania) - Romig, Carney & Lewis (Philadelphia). FYI the Carney is Art's nephew.

I have told each of these people that I knew nothing of any plans -- but would pass their message along in the event there was a wedding reception coming up at some future date.

The Nixons used to use Bill Harrington for some of their parties when he was Vice President.

(As soon as the announcement is made, I will just refer the calls to you -- did not want to do so in these cases since it would have appeared that it was in the mill).

ELMER HOLMES BOBST
7 EAST 60TH STREET
NEW YORK, N. Y. 10022

March 25, 1971

Dear Pat and Dick:

I have been spending two or three days in New York trying to catch up with work, attend board and executive meetings, et al, and yesterday I found a large heavy and most beautifully wrapped box in my office in New York. It had been sent to 7 East 60th Street from Morris Plains, our headquarters in New Jersey. I had the box put into my car and erealong it was in our apartment.

I put it on our kitchen table and up to then had no knowledge from whom the package had come. In looking very closely, I suddenly spied the beautiful President's Seal, and then I was in a quandary. Dodo is still in Palm Beach and I did not know whether I ought to open the package or wait until her return to New York, which is scheduled to be on April 12th.

Finally, my curiosity got the best of me and I decided to determine just what the box contained. I did not open more than one of the packages, and when I saw the President's Seal and his name on the cocktail glasses and the handsome match boxes, I got an idea of what else there was in the box and decided to give Dodo the pleasure of opening the other packages. Naturally, I immediately called here on the telephone and she practically gasped when I told her that each one of the contents of the package bore the President's Seal. Her first words were - please be careful don't break anything, and I told her that I had not gone any further than to open one package.

I am certain there is no need of my telling you how proud and happy both of us are due to your thoughtfulness, kindness and friendliness. I can only say, with truth, that our meeting together 18 years ago has been responsible for some of the most glowing and treasured episodes in not only my life but also of Dodo's.

As ever,
