Dear Bob:

In light of our talk on the 26th, you may wish to get out a supplement to the memo attached wherein you specify that all requests of the type mentioned should go through Gordon Strachan to the outside contact.

This procedure will avoid the problems inherent in the situation where Chuck Colson, Harry Dent, etc. would be making requests directly to Hugh Sloan. Hugh should deal only with Gordon.

Regards,

Hwb

There is a misunderstanding here. I think the requests should continue to be directed to Hugh - that he should then clear them thru Gordon - saying no commitment can be made pending approval - and not saying where the approval comes from.

MEMORANDUM FOR:

FROM:

H. R. HALDEMAN

We have been creating a serious problem for ourselves with contributors that needs to be solved immediately. Staff members have been approaching some of our contributors with individual requests for special projects or requests on behalf of other individuals. It has become very difficult to keep track of who has contributed what to whom, and contributors have been complaining that they don't know which requests are valid and should be honored.

From now on, any request that you want to make for funds from any of our outside people, should be relayed through Hugh Sloan. Hugh has been designated as the central point of contact and should handle any matters of this type. All of our contributors have been advised that they are under no obligation to honor any requests that do not come through this channel.

Please be sure that you adhere to this procedure in the future.

MEMORANDUM FOR : MR. KALMBACH

We should move hard probably right after the Fall elections on Mrs. Ahmanson, Mark Taper, and Norton Simon for very large contributions. The President talked with all three of these people at the music center affair in Los Angeles and while Taper at least has been supporting the other side - there's a real possibility that he could be persuaded to move to our side or at least cover that base also.

Also, Joseph Klepfi should be checked out as to his donor potential.

Dear Bob:

As I told you when we talked in your office on Friday last, Judge Thurmond Clarke is seriously ill.

He and Athalie are staying at their house in Corona del Mar (4633 Brighton Road) and can be reached by telephone at (714) 673-5788.

Thurmond and Athalie have long been loyal supporters of the President and I know that at this particular time a phone call would be warmly received.

Best regards,
