Dear Rose:

Your letter of December 4th, together with the enclosures, were here in the office when I got back late last Friday night.

On the Key Biscayne Water Company bill, we have already written them asking that they change the billing address. As far as Mr. Axelson's rent payment is concerned, I will talk to him and ask him to send us the checks directly which we can deposit in the President's general account without any necessity for his endorsement. This will cut down on some of the paper work there in your office. I think a weekly mailing by your office to us of bills and other items as they come along would be often enough. Of course, there may be some items requiring urgent treatment which we can handle apart from the regular routine.

It was good to see you when I was in Washington. Hope that you will be able to be out here over the holidays.

Best regards,

Herbert W. Kalmbach

The \$24.00 expense was for the President's golf cart, Bob Hope's golf cart, and Secretary Laird's golf cart -- all of which were charged to the President.

As per our conversation, I imagine the best method of payment is by check.

Tod Hullin discussed this with John Ehrlichman last night and John felt that the contribution should not be used in their publicity until the strike is taken care of. He said he would call Nancy Size.

He said that in the future this sort of thing is Haldeman's 'bag' -- under the reorganization xxx John will not be handling PR any more.

This is just a note to thank you for your October 28 letter and the President's contribution to the National Syphony. We are having terrible labor problems and the musicians back playing again by mid-November.

Do you think the President would object if we made it known that he had made a contribution, even under these difficult circumstances? Give me a call at Sterling 3-1647 on this if you can.

Dear Mr. Lund:

Recently I have had the occasion to discuss with Mr. C. Arnold Brown of KWB Oil Property Management, Inc., the availability of selling Miss Tricia Nixon's interests in both the Albright and Payne leases. Mr. Brown has indicated that he had discussed the matter with you and that you would be willing to purchase her interests for \$2900.00.

At your earliest convenience will you kindly inform me as to your intentions as outlined above, and by copy of this letter to Mr. Brown I am asking that he proceed to prepare the necessary papers to properly record the assignment of the said leasehold interests.

He was one of our most loyal and effective

TO Rose Mary Woods

Just wanted to explain the attached. I was the "lady" who called the Axelsons about the August rent since my records indicated that we had never received same. I told Mrs. Axelson who I was but apparently she didn't understand anything that I said because I explained several times. I said I would try to call her husband back but he doesn't arrive home until quite late, so I never had a chance to talk to him personally.

Sincerely,

Dear Miss Woods:

About a month ago a lady called and asked my wife if we had paid the rent for the month of August.

Being that there is another David Axelson - David E. Axelson - in this area, my wife thought that this concerned him as we have had to answer quite alot of tel. calls for this other party, she told the caller that she must have the wrong number. And so she explained to her that there is a David E. Axelson. But the lady told her that she wanted to talk to David H. Axelson. My wife could not get this right about the rent and never thought it concerend us, until she was asked if we do not send the check to Washington. And the lady said that the check for Aug. was not received by them. She was going to call later in the day when I was home.

We have never heard anything more and in my last ^Bank Statement the canceled check was not in it (no. 962 mailed to you on July 29.70) and consequently it must be lost.

Enclosed you will find together with the payment for November, a check for the month of August making up for the missing check.

Sorry that we did not get it straight who was calling at this occasion.

Sincerely yours

PERSONAL & CONFIDENTIAL

Dear Herb:

I am enclosing bills from Harry Winston, Inc., and Georgetown Haberdasher and would appreciate your having them paid as promptly as possible. The Winston bills just arrived a few days ago - they are notoriously late in billing! The one from the Georgetown Haberdasher had been kicking around between Dwight and Commander Larson with the thought it could be handled otherwise. This was not possible-so!

There are more invoices to come from Winstons - I do not know how many - nor when we will receive them but I know Mrs. Nixon has bought several things and we will just have to wait until Don Carnevale sends the invoices to us.

I hope it will not be too long before I will have the pleasure of seeing you again - in the meantime, warmest personal regards to you and Barbara.

Rose Mary

Would you please issue a check in the amount of \$100 to the Mount Pleasant Cemetary Association, Logan, Ohio, and mail it to Mrs. Sam Gordon, Treasurer, 155 Zanesville Avenue, Logan, Ohio 43138

Thanks.

155 Jamesville Ave. Logan, O.
Aug. 24th 1970.

Dear President and Mrs. Nixon;

I am writing a line to see if you would like to help with our "N/sumb Pleasant Cemetery Association" dues this year, as we are running short - without rising interest which has been added to principal (before) [now \$2356.52 since 1955], your contribution of \$100 in 1965 helped so much.

Members of association who have folks buried there pay \$5. per year to pay for upkeep (\$180. yr. at present).

So many of our faithful to pay have passed on.

Have not bothered you by sending a card each year - as you are a busy person.

We are for your efforts as President 100% and have great admiration for you and your family.

With the best of wishes,

Mrs. Sam (Edith) Gordon.

P.S. I try to check on your folks graves - (Treasurer)
when I get out to cemetery.
I'm 74 and cannot go too often. e.g.

Mrs. Nixon,

This is an appeal for a contribution to the Mount Pleasant Cemetery Association in Logan, Ohio. The writer indicates that ~~your~~ relatives (or the President's ?) are buried there and that she checks on the graves when she is able to go.

Dear Miss Woods:

This letter comes to acknowledge the receipt of the \$100.00 contribution to the Greater Kansas City Baptist and Community Hospital Association from President Richard Nixon. Please extend to him our thanks for this contribution and know that we will keep it in the strictest of confidence.

We are doing nicely with our program. Our community is responding nicely and barring any increase in labor and material the balance needed to complete the one hundred bed - 4.9 million dollar hospital will be between \$700,000 and 1.2 million dollars.

With every good wish for you, the President and his administration, I am

Dear Mr. Wardell:

The President has received your letter to stockholders and enclosed proxy which was addressed to him here at the White House.

Our records do not indicate that the President is, or ever has been, a stockholder in your airline. We would appreciate receiving any information you have to the contrary. Otherwise, it would seem most appropriate to delete him from your records.

Thank you very much.

Sincerely,

Edward L. Morgan

Dear Pat:

Herb Kalmbach sent this check book for your special account. He would appreciate it if you could send them a zerox of checks which you write for each month if possible. They would like to have that just for checking purposes and to be sure they always have enough in the account.

If you want this to be worked in any other manner, either let me know or we will have Herb call you.

THANKS again for the lovely visit last night - it was like old times!!

Love,

(Herb has sent a check book for the same type account for use in the event RN wants to write a check.)

Pl. send zerox as you suggested

Dear Mr. Hope:

The President asked me to forward to you the enclosed contribution to the Eisenhower Medical Center. As you will understand - probably better than anyone else - he would appreciate it if this were not publicized (except for Mrs. Eisenhower if you would like to do so) because of the great number of requests he receives for contributions.

Thank you from all of us for your great work in entertaining our troops - having a wonderful nephew in Vietnam I am well aware of how much this means to our men and their families.

With every good wish for the New Year to you and yours,

Sincerely,
