Bob Allard - maybe can help add to airport
and/or reception crowd

Herald Connolly - same

Jim Crain - "

All others ^(friends) in book - except ones I have already called - fill in on RN plans - ask their evaluation of Rockefeller trip & current situation. Encourage reception attendance & crowd building.

Also try John K. Billington at U of NH (see letter)
Maybe he can organize an airport crowd.

After details filled in - put emphasis on huge crowds at airport & reception. Must have 1000 at airport. No "Nixon For President" type signs - just "Welcome Pat & Dick to New Hampshire".
Went contract to Rockefeller.

RHF and BHaldeman discussion

Bob Haldeman to check with

Don Hughes for transportation, arrival arrangements, etc.

Herb Klein re: background session with the press. This is the knotty problem of the whole thing. Several ways invitation can be extended; i. e., through AP or UPI editors, a press association, or direct from Senator Cotton. One thing that is definite not OK is for invitations to come from Gov. Powell.

Things which are set:

Dam ~~is~~ ground-breaking ceremonies in the AM

Followed by luncheon put on by the Corps of Engineers (JFHughes has information on this)

Followed by stand-up reception back in Concord, put on by the State Committee - Dick Cooper, National Committeeman in charge. (question on this -- wonder if it is the State Committee is actually the sponsoring group, as Dick Cooper is Committeeman, not State Chm.lgg)

Main reason for Ned Sullivan going up with Bob Haldeman is to get the wider soundings of people in the State on just what the political situation is which can be done by two people. Want to contact as many of the names in the black book as possible to get the feeling of reaction of NR's week-end visit, activity on his behalf, etc. RN's reception must be markedly bigger and better than that given to NR. Many RN people in New Hampshire are raring for action, and this is a good time to check in with them, feel their pulses, etc.

Dear Dick:

The attached check covers the expenses for rooms and the reception at the Eagle Hotel. We thought it might be better if you took care of transmitting the payment to them.

Hope to be back in touch with you before too long.

Best regards,

H. R. Waldeman

Dear Bob:

This acknowledges the cashiers check for \$432.12, covering the Eagle Hotel expenses. I recently wrote to Bob Finch to be passed along to you, concerning other charges totaling \$273.26. I presumed this was a matter that would be handled in Washington and perhaps passed along to you.

I am looking forward to seeing you again. The "pot" is boiling madly; I have been doing my best to keep the lid on, but it has been popping up and down the last couple of days.

Best regards,

Richard F. Cooper
