MEMORANDUM FOR BOB HALDEMAN

FROM THE PRESIDENT

PH

When Cliff White came through the line this morning he said he would like to come in some time and tell me what happened in New York.

I do not want to give great visibility to political meetings these days but if you can arrange for him to come in to have lunch with Finch (or perhaps a better idea might be with you since Finch is considered by the Conservatives to be too liberal) and then bring him by for a brief visit, it probably is worthwhile for the future.

I want it done with no fanfare or publicity -- make it just a private occasion.

MEMORANDUM FOR: H.R. HALDEMAN

FROM: THE PRESIDENT

On the political front, it is important to start an early liaison with Billy Graham and his people. He was enormously helpful to us in the Border South in '68 and will continue to be in '72. But, we need to have someone in charge of this organizational activity at an early date. For example, in going after our breakthrough on the Catholic front we have to remember that our primary source of support will be among the fundamentalist Protestants, and we can probably substantially broaden that base of support.
