MEMORANDUM FOR

Bob Haldeman

On the political side, I would like you to follow up with Billy Graham in his work with Negro ministers across the country. He feels this is our best chance to make inroads into the Negro community. I am inclined to agree with him. The professional Negro radicals simply can't be for us any more than the white radicals can be for us. Just as we are trying to appeal to our own constituency among the whites, we should remember that there is a similar constituency, although eminently smaller, among Negroes. Let's not overlook them in attempting to pander to the radicals - black or white.

MEMORANDUM FOR

Bob Haldeman

I want you to discuss with Connie Stuart using Tricia more - where she is willing to do it - for non-political appearances, particularly where they involve TV. For Example, where someone wants me to go on the air for the cancer drive or the heart fund drive, have Tricia do it. My attitude here is reflected by my reaction to the silly television ads in which the President of a company goes on TV instead of a good actor or actress doing the commercial. Tricia is extremely effective and I think with a little coaxing will do more.

Also as we get further along in the campaign year - in very selective races - I think she would be willing to make a political appearance. Generally speaking, however, there should be a rule that she makes no appearance unless there is TV coverage. For example, when she or anyone else visits Chicago, we should never fail to get a spot on the Kupcinet show and the same applies to other good local shows where we are likely to get a better break than from the networks.
