MEMORANDUM FOR JOHN CAMPBELL

FROM:

Ed Harper 

SUBJECT: FY 71 Budget Amendment for Child Nutrition

REFERENCE:

Log No. 4211

The Acting Director of the Bureau of the Budget proposes a \$216.6 million amendment to the FY 71 budget to fulfill the President's commitment to providing a school lunch for every needy child in America.

This amendment in conjunction with the President's decision on the Special Milk program has been the subject of a number of discussions by U. S. D. A., Bureau of the Budget and the White House. The product of these discussions is the decision to link the amendment to the President's statement on the Special Milk legislation next Tuesday, June 30.

RECOMMENDATION

That the amendment be approved as submitted, but that its transmission to the Congress be handled in a manner consistent with the plan laid down in the meeting held in Ken Cole's office on June 24.
