

The background of the poster is a blue-tinted collage. At the top left, a clock face is visible with the numbers 1, 2, and 11. To the right, a green question mark is set against a circular, glowing background. Below these elements, the text 'yorba linda public library' is written in a light, sans-serif font. The main title 'exposed' is written in a large, white, lowercase, sans-serif font, with a white horizontal line passing through the middle of the letters. Below the title, the subtitle 'glimpse into the future' is written in a smaller, light-colored, sans-serif font. Further down, the text 'an art contest for teens in grades 7 through 12' is written in a similar light-colored font. At the bottom of the poster, a globe of the Earth is shown, partially obscured by tall, green grass in the foreground. The globe is tilted and shows various landmasses and oceans. The overall composition is clean and modern, with a focus on environmental and future themes.
