CS-2  
Dear Mr. Nixon:

I am only a small individual in this great country of ours, and as a father of a nine year old boy, I feel that it is my duty to write in behalf of my son.

On this date he sat down and put his ideas down on a piece of paper depicting the forthcoming of the landing of the American astronauts on the moon. The installation of the American flag was very impressive to me as well to my family and friends. His desires were to send you this drawing as he is a great admirer of you and what you stand for in this great country of ours.

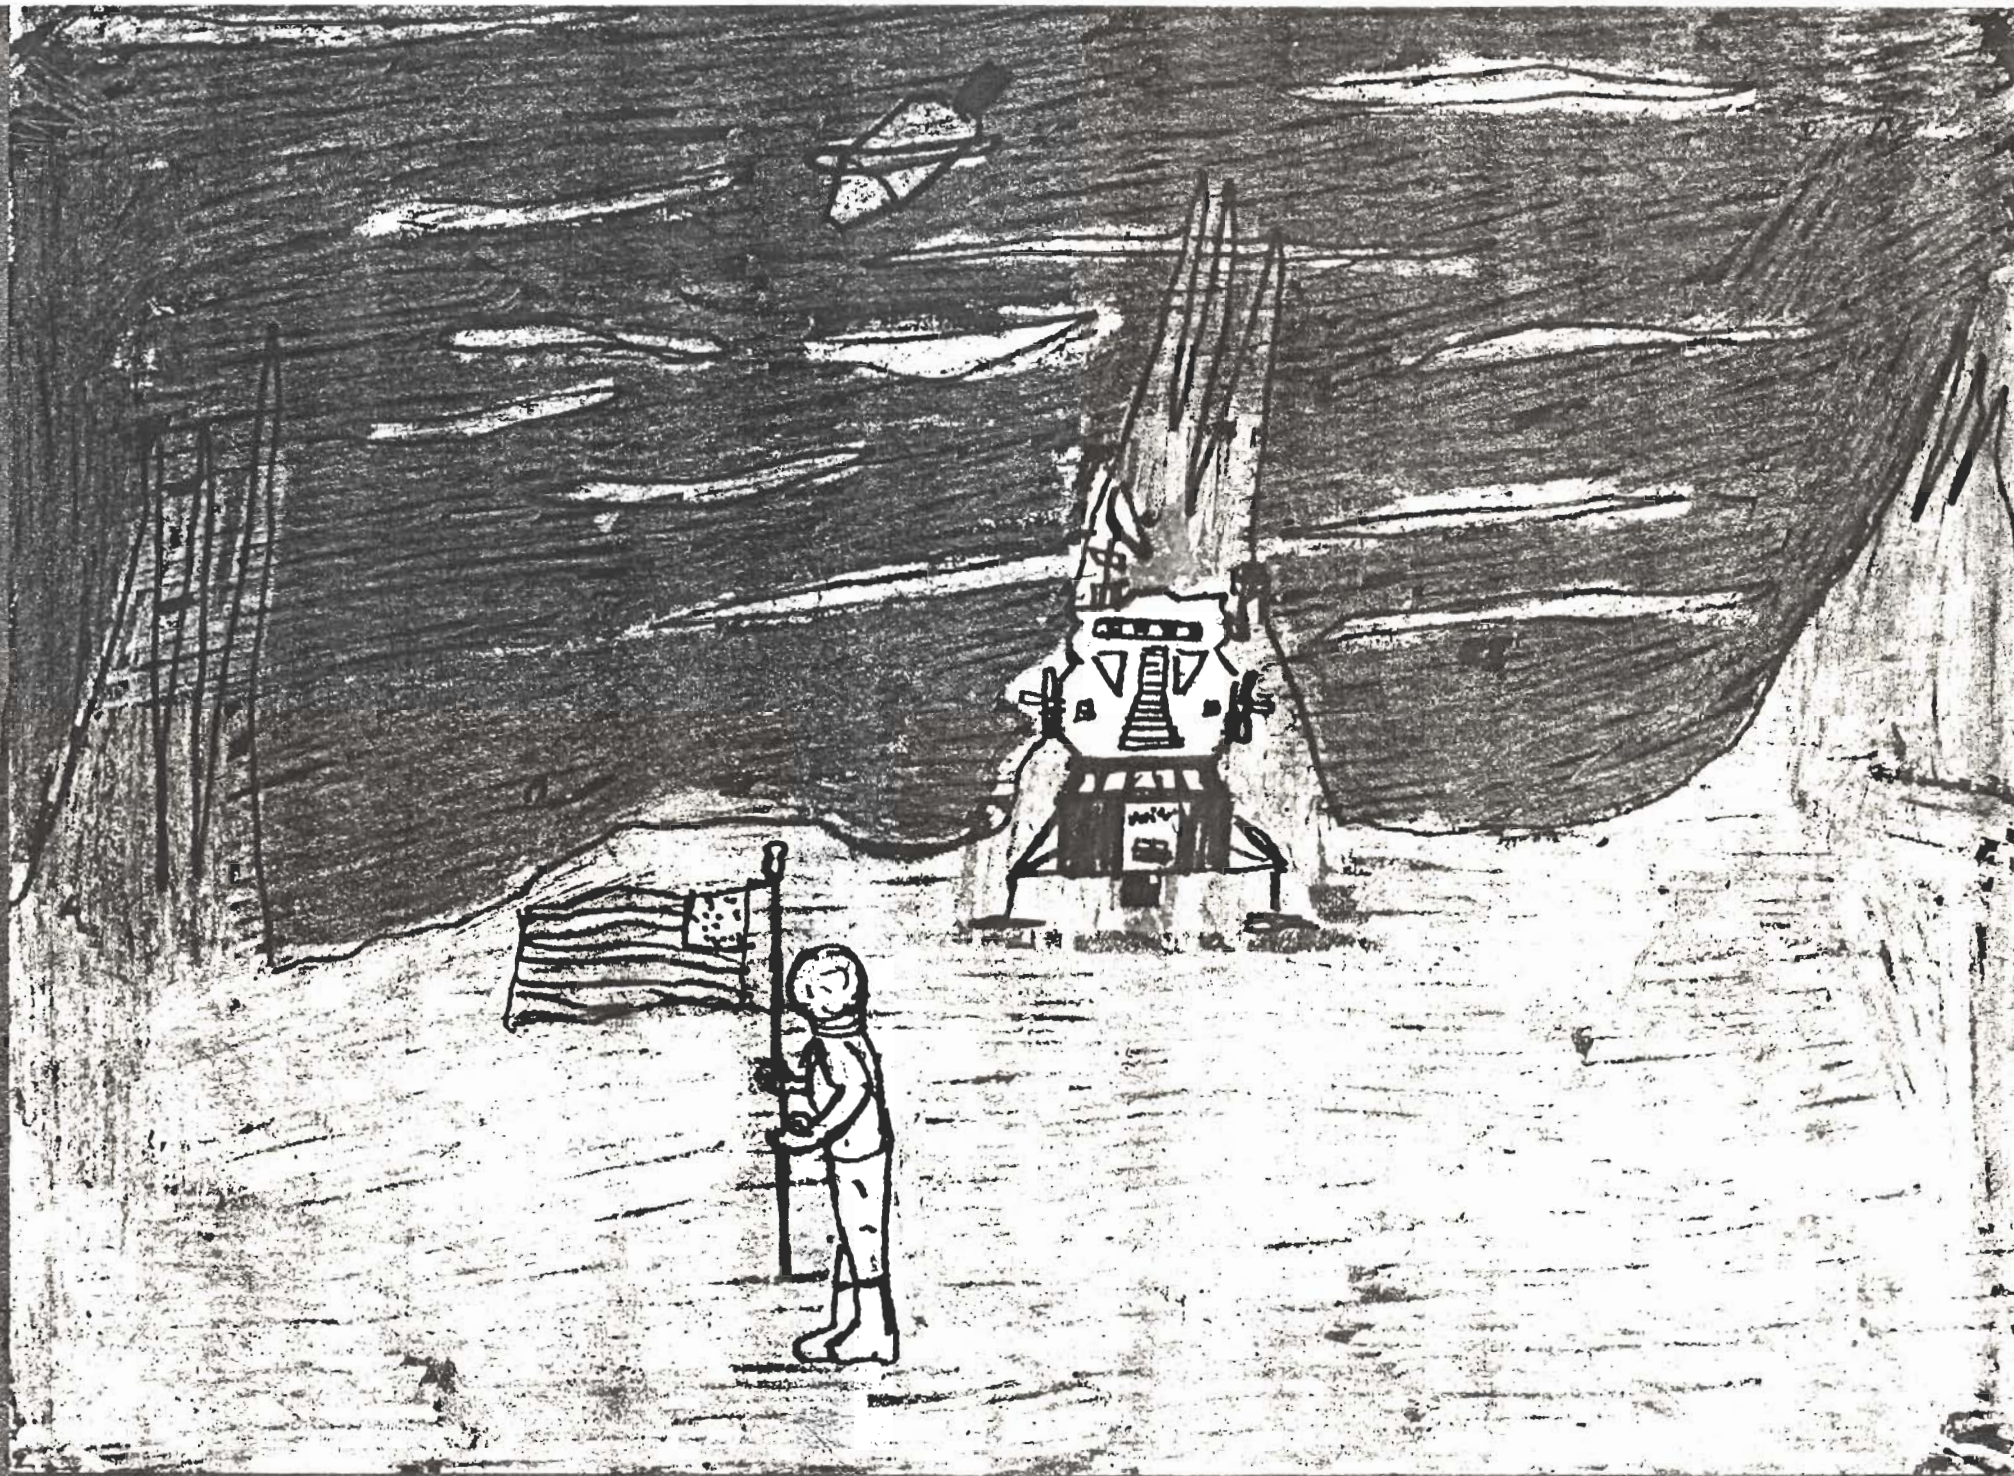

We don't expect anything, we don't know if you will ever get to see it, but we want to say, we are behind you in what ever you do for this country. Thanking you, I remain,

Sincerely yours,

  
Mr. Biagio Arangio
