

Attention Orange County Educators!!!

Exciting New Tour at the Richard Nixon Presidential Library and Museum

The Richard Nixon Presidential Library and Museum is introducing a unique “Civics through Science” tour alongside its well-established “Civics Education” programs. This exclusive one-day event will showcase the Administration’s achievements in space, the International Space Race, and space exploration. Thanks to our partners, the Richard Nixon Docent Guild and local educators, participants will have the chance to:

- **Engage in Space Bingo**
- **Relive Buzz Aldrin's journey**
- **Stargaze in a planetarium**

Please be aware that this opportunity is available only on Tuesday, November 18th, with time slots at 9:00 AM and 10:45 AM. Each tour is limited to 100 participants.

Join Us for an Out of This World Opportunity!
