MEMORANDUM FOR NICK RUWE

FROM: Dwight L. Chapin
RE: Fall Campaign Scheduling

The following are some random notes regarding fall campaign scheduling. These are a collection of thoughts from Bob, some of which reflect the President's thinking.

1. TRICIA AND JULIE

The girls have agreed to do some campaigning for candidates this fall. They should of course plan their activities on the basis that takes maximum advantage of television. Their schedules must be very controlled from the White House and they should go only where we want them to go. They concentrate on the Senate races in small States -- or key States -- they should do no colleges or universities, they should, of course, appear with the candidate, they should stay off the issues and provide essentially the enthusiasm and excitement of their presence. We should probably look for non-political meetings for them, but the main thing is to emphasize their use on television.

2. THE VICE PRESIDENT

He should plan more activities in States such as Pennsylvania, New York, Massachusetts and probably Texas. He could do some stump speaking at rallies, as well as the fund-raisers. He should do an early in-the-campaign motorcade in a reasonably small town where he can get a major turnout and a very big and enthusiastic reception to set the tone.

I have talked to Ernie about the above and it fits in with what he has planned except the question regarding Texas. Ernie is preparing a plan which he will have in for Bob's review sometime this week.

MEMORANDUM FOR MR. NICK RUWE

FROM: Dwight L. Chapin

I understand that the President has committed Julie and David to campaign for Congressman Albert Watson in South Carolina in September or early October. Perhaps the State Fair in Columbia would be a possibility.

MEMORANDUM FOR: LUCY WINCHESTER

FROM: DWIGHT L. CHAPIN

RE: Annenberg Dinner

I relayed to Stephanie Wilson the details concerning the Annenberg Dinner and asked her to pass them on to you as soon as possible.

This is just to recap. Attached you will find the approval sheet which I sent in to Bob Haldeman for that dinner. You will note that the President has disapproved adding Ambassador and Mrs. Freeman to the list. He also moved Secretary and Mrs. Rogers to the optional list to be used only if the other people cannot attend. He would like the guests to be as follows:

President and Mrs. Nixon
Ambassador and Mrs. Annenberg
Henry Kissinger and Mrs. Longworth
Lord and Lady Thompson
Jack Knight and his wife
Mr. and Mrs. Don McGannon
Mr. and Mrs. William Michaels

The options would be as follows:

First, Hobart Lewis and his wife
Second, Secretary and Mrs. Rogers.
