February 17, 1971

MEMORANDUM FOR:

CHUCK COLSON

FROM:

H. R. HALDEMAN

The President wants to get together after the State of the World to talk about lists again. At that time he would like to look at the major state lists and he will want to work those over. Also, he wants to be sure we are getting the TV types in the major areas, like Kupcinet in Chicago and George Putnam in Los Angeles.

In fact, he says to look for the Putnam type in each area -- a guy that's in the middle; or for us; or who can be had; and then let's go to work on it.
