MEMORANDUM FOR KEN TOWERY

FROM: HARRY DENT

Enclosed is some material given to me by Mr. Frank Dean, a Foreign Service Officer who talked with you for about an hour recently. He has an idea for winning Mexican-American votes, and says he knows how LBJ got the extra vote necessary to enable HHH to carry Texas. It involved getting some people across the border.

His idea is that there are some positions which should be picked up for Texas, which positions can be used advantageously for political purposes as the LBJ Administration used them. I am enclosing his card.
