1972

THE WHITE HOUSE
WASHINGTON

Charles Cutchfield

after Vietnam coverage - anything looks better
certainly started - another chance to throw a dagger into the
Admin.

Did a lot of damage
Disparaged office of Attorney General

Cutchfield thinks CBS is improving
ABC is attempting to be fair

Hopes NBC is on verge of making changes
because nobody believes what they see and ratings
are down.

Very much Vietnam oriented

Things is continuing to function - Buddy Rogers Pres of
Congress
Moscow ad was appalled at bias against toward President
Has made a number of talks on this

Reid Petroni - Crinthon

Will go back in when Richard succession is named but
can't get argument with Salant - head of CBS news
if name is named will go to see Paley

NBC - more gradual to form new man and believes that
any questioning of news is violation of freedom of press.

Feels affiliates and Congressmen can raise more that
- counter advertising threat
