DETERMINED TO BE AN  
ADMINISTRATIVE MARKING  
E.O. 12065, Section 6-202  
By *Emp* NARS, Date *11-24-80*

My sources tell me the Democratic National Chairman's two major accounts are John King (the John King) and Howard Hughes. In addition, he may have a book contract and is involved in something called Public Affairs Analysts, which purports to offer assistance and know-how to individuals or firms in their dealings with state governments.

~~CONFIDENTIAL~~

P. S. As you know, Ray Bliss retained his Ohio insurance business. John Baily I think also was in insurance and was written up as a slumlord. I think our efforts probably lie in another direction.
