THE WHITE HOUSE

WASHINGTON

DETERMINED TO BE AN
ADMINISTRATIVE MARKING

January 14, 1972

E.O. 13066, Section 6-102

By MARKS, Date 2-1-72

CONFIDENTIAL

MEMORANDUM TO THE ATTORNEY GENERAL
H. R. HALDEMAN

FROM: PAT BUCHANAN

From an excellent source in Alabama comes word that Governor Wallace is "getting psychotic," that he has serious marital problems and that he is "not what he used to be." The intermediate source is a newsman with contacts deep inside the Wallace camp. If true, of course, this could have an effect on how well Wallace does in the primaries, particularly Florida, and just how much of an embroglio he can create at the Miami Beach convention. My own source who is in the government is going to go down to Alabama in a week or so to get more details. FYI.
