A call might help him come over. He detests McGovern enough to swing his support to you if McGovern is the candidate.

Franklin David Murphy O: 213-625-2345

A month ago he called Lyn Nofziger offering his daughter, Carolyn, as a full time volunteer. Carolyn has been working for Lyn since. He has been helpful in other areas.

Henry Salvatori O: 213-277-3444

A call to him would be a good idea. He is a strong supporter and has given \$100,000. A call to him would take care of the whole Litton company.

Taft B. Schreiber O: 213-985-4321
Vice President H: 213-271-0933

A call to him would definitely be a good idea. We need the Jewish vote and he is working very hard for your re-election.

Robert Volk O: 213-687-6300

He is a strong supporter but can do more. He is the kind of person who likes to feel important and a call from you would boost his ego into more active support. He is Region I Finance Chairman.

KEY POLITICIANS

Ray Bliss

In view of past problems, this would be a good call to welcome him back into the fold; we need him.

Governor William Cahill

In view of the recent difficulties this call would be especially timely.

Senator Robert Dole

His morale is really low. He has been complaining that he is getting no attention from the President. He hasn't been especially helpful and may just need a boost . At least we ought to try.

Mayor Richard Lugar
Indianapolis

One of the most influential mayors who has been extremely helpful in organizing resolutions for us at the Mayors Conference. He is a very able guy.

Mayor Ralph Perk
Cleveland

One of the most prominent big city Republican mayors. He is a solid RN supporter and can be very helpful in the election. He is a well known ethnic.

Governor Nelson Rockefeller

He has also been recommended for a birthday call on July 8 . He is also a large contributor.

MEMORANDUM

THE WHITE HOUSE
WASHINGTON
June 23, 1972

MEMORANDUM FOR: CHUCK COLSON
FROM: H. R. HALDEMAN

We should lay out a plan whereby over the next two weeks we are in contact with the major anchormen and correspondents who will be covering the Democratic Convention. Our strategy should be to give them the proper lines about the forthcoming Republican Convention. If we get the proper material to them in the right way, it is conceivable that they will use the same in some of their Convention commentary.

You should work with the 1701 group, as well as with Ziegler, Moore, Scali, Klein, Safire, Clawson and Chapin.

This effort should be handled as much as possible on a one-on-one basis with people contacting those correspondents whom they know fairly well.

Will you please give me a report on this by Friday, June 30.
