April 6, 1971

MEMORANDUM FOR : HERB KALMBACH
FROM : H. R. HALDEMAN

Bill Ryan, who is Pat Nixon's oldest brother, has apparently lost his job as an electrical engineer of some kind at Twentieth Century Fox.

Do you think there is anything you might be able to do discreetly to be of some help to him through our contacts with Taft Shreiber, Paul Keyes, or someone of that sort?

He is apparently about 62 years old and has been with Fox for many, many years and is fully qualified in his field; whatever it is.
