MEMORANDUM FOR H. R. HALDEMAN

FROM : LARRY HIGBY

Attached is the list of reserved and available for reservation, States regarding the incorporation of the name "Silent Majority. Many of these have been reserved for fifteen days since that is all that State will allow.

Colson suggests we need to decide whether or not we want to go with this name and if so, proceed to make the incorporation which, as you know, will involve a substantial amount of money.

Recommendation: You may want to call Colson on this and give him the O.K. unless you have made another decision regarding the names "Silent Majority".

Attached is a letter from Mrs. Theodore S. Ledbetter requesting that the President support the Christmas seal campaign for the D. C. Tuberculosis and Respiratory Disease Association through a personal contribution.

Rose has forwarded this because she felt it would be one that the President would want to make a contribution to. Could you please find out the appropriate amount from him?
