MEMORANDUM

THE WHITE HOUSE

WASHINGTON

January 27, 1971

MEMORANDUM FOR : MR. CHAPIN

FROM : L. HIGBY 

Dole called Bob the other day concerning Ernie Minor. Apparently Ernie would like to meet with Dole - the Senator guesses to get a job at the Republican National Committee. Bob would like to get a reading from you on Ernie - his potential and whether or not he's somebody we'd want to move over there, and if so, into which area.

I know you're busy so just give me a call on this one rather than dictate a reply if you would prefer.

HIGH PRIORITY

MEMORANDUM FOR :

MURRAY CHOTINER
HARRY DENT

FROM :

L. HIGBY

Bob asked that you call those Chairmen of our key states i. e. John Andrews, and ask them what they thought about the President's speech on the "Open Door". In talking to them you should try to stress the significance of the "Open Door" remarks and the fact that we are bedoming the party of the Open Door.

Also, you should ask for their reaction on the reception that the President held the other evening for Party officials and emphasize to them--and ask them in turn--to emphasize the positive tone of this gathering.

MEMORANDUM FOR: MR. HARRY DENT

FROM: L. HIGBY

Bob asked that I return this to you. The President has indicated to him that he does not want detailed political reports on specific states but only marginal type information. Therefore, he asked that I return this to you.

MEMORANDUM FOR: H. R. HALDEMAN
FROM: L. HIGBY

You asked that I check with Ed Morgan on Moore's specific project. Below they are listed together with his response:

1. Former Governors now in Congress -- he will have to check on this, but Timmons is handling it.
2. Former Governors throughout the country -- it is his understanding after talking with John this morning that Morgan should call Rockefeller's Aid with regard to this project and they will be sending it up. He has a call in to Rockefeller's Aid, but has been unable to reach him so far.
3. Present Governors -- the VP staff is working this, but he has not received a reply from them yet.
4. List of Mayors and county executives -- the Vice President staff is working on this but has not gotten anything down to him yet.

I also passed on to him the fact that Rockefeller is moving ahead at a rapid rate and setting up his Citizen's operation and considering naming Scranton the head. I informed him that the President feels that Lausche or Ellington should probably be named co-Chairman along with Scranton and that some other Democrats *Should* also be included. He took note of this information and said he would get on it.

I realize that none of the information listed above is very satisfactory, but it is the best that Morgan has at this time. I will call him again this afternoon if he does not call me and get an up date for you.

MEMORANDUM FOR : ROB ODLE

FROM : L. HIGBY

With regard to the parchment that we want to send out to the Republican National Committee on the Open Door, the revised statement that goes to final print should read as follows:

The Party of the Open Door

"Our party has great principles, principles that are far
b bigger than the Republican Party. They are as big as all of
America itself. But our party will not grow unless it is a party
of the open door, open to all people, all people who share our
principles, who ^{want to} work with us for the betterment of America and
the betterment of the world.

Ours should be a party of the open door, open to all people,
all parties, all faiths, all races. That is the kind of party that
we are and that we shall be in the years ahead. "

From extemporaneous remarks of President Richard M. Nixon
at the Dedication of the Eisenhower Republican Center, Washington,
D. C. January 15, 1971.
