LARRY HIGBY

I assume that as follow-up to our meeting with Haldeman you will be preparing a poll summary for the A.G. In addition as Bob noted let's make sure we keep Mitchell clued in on Dent.

You'll also follow-up as I understand it with Kalmbach and Sloan in making sure that our fund is set up for \$800,000.

In addition you will tell Colson that he is to stay completely out of the Teamsters thing. The A.G. will handle this. He is on top of it and aware of what is happening.
