RAY CALDIERO  
BILL CARRUTHERS

FROM :

L. HIGBY

Bob has asked that the three of you get together or independently develop a list now of entertainers who are the best entertainment in America regardless of their political affiliation. Then, indicate which of those people were against us, for us, and those that were neutral during the last campaign. These should be the top entertainers in each of the major fields i. e. music, entertainment, dance, etc.

MEMORANDUM FOR :

STEVE BULL

FROM :

L. HIGBY

It's been indicated that the President wants to have King Timahoe bred some time in the near future. Would you please contact the man from whom we bought King and see if he has a bitch that would be suitable to be bred to the President's dog? If so, some arrangement should be made so that the President gets the choice of the litter, or something like that. He does not want a stud fee.
