MEMORANDUM FOR: LARRY HIGBY  
FROM: ~~DAVID~~ PARKER

Who would I check with in the Nixon Foundation to see if the Foundation has moved in the direction of acquiring the President's Birthplace Home? - *Herb Kalmbach. - I think it is do.*

It seems to me that for posterity sake, that we should preserve the home immediately and have it restored and transferred to the National Park Service at a later point. I know at this point, that the Park Service does not have the authorization to purchase the home, therefore, it would be necessary for a private organization to do it.

I will assume that you will take this idea and run with it or tell me who to toss the ball to.

Thank you.

Dear Hank:

I came upon this check in an obscure envelope in an obscure folder made out to me for the Young Voters poster money. I have endorsed it and am sorry I did not send it earlier.

Sincerely;
