MEMORANDUM FOR: MR. FLANIGAN
FROM: H. R. HALDEMAN

Tom Evans (of the RNC) has indicated that he badly wants Darrell Trent as his Deputy Chairman for Administration and that, with a nudge from us, Trent would make this move. What is required is some indication by us that we "need" Trent to do this and that it is an important job.

Would you please give Trent a call and see what you can do to induce him to take this position?

MEMORANDUM FOR H. R. HALDEMAN

FROM : BRUCE KEHRLI

SUBJECT : Your Meeting with Dole
and the Attorney General

As you know Chuck Colson is working on a project to nail the "Muskie Moderate" myth. This is something that will be master-minded here but will be implemented at the RNC. Bob Dole is to be our big gun on this and Muskie is to be his principal assignment. Colson has responsibility for this project and to lay some ground work, you might tell Dole of Chuck's responsibility and that the two of them should get together in the very near future.

Also, Lyn Nofziger called to ask you to re-emphasize the point that Dole is to be tougher and less "statesmanlike".

MEMORANDUM FOR: H. R. HALDEMAN
FROM: BRUCE KEHRLI
SUBJECT: Information from the RNC

We are receiving quite a bit of information from the RNC Research Division. We receive a packet about every three days. The subjects covered include summaries of recent polls and information on possible Democrat candidates for 1972. Since each of these packets is quite lengthy (approximately fifteen pages) I am forwarding them to Gordon Strachan for his review and he will bring to your attention any information you need to know.

For your information, I have attached a couple of sample reports.

MEMORANDUM FOR:

H. R. HALDEMAN

FROM:

BRUCE KEHRLI

Chuck Kent called and asked to speak to you on a personal matter.

I returned the call and found that he wanted to let you know he is getting married on March 11 to a pediatric surgeon. He indicated that Dr. Seth R. Brooks was performing the ceremony.

MEMORANDUM FOR: MR. H.R. HALDEMAN

FROM: BRUCE KEHRLI

SUBJECT: Mailing of Parchment Certificates to
Republican winning and losing Candidates
in the 1970 Election

Just after the election last year, Bill Safire came up with the idea of sending Presidential momentos in the form of a parchment certificate to the winners and losers in the November elections. These were to be sent to all Republican candidates down to the state level -- that is, all candidates involved in state-wide races.

At that time the attached certificates were approved, but certified lists of all state candidates were not available. Rather than run the risk of sending the wrong certificate to some of the candidates, you indicated that we should delay the mailing until certified results were available.

These lists are now available at the state level and each state chairman has been requested to forward the appropriate information. The mailing labels are ready for the participants in the Congressional, Senatorial, and Gubernatorial races and as we receive the information on State Legislatures and state-wide races (Lt. Governors, Secretary of States, Supreme Court, where applicable) these too will be made up and the complete mailing will be sent out at one time.

The purpose of this memo is to keep you advised of the status of this job and to let you know that unless you have any objections these certificates will be printed and mailed.

MEMORANDUM

MEMORANDUM FOR: JEB MAGRUDER

FROM: H. R. HALDEMAN

From time to time various GOP organizations will be putting on registration drives and membership campaigns.

As a reward for the winners of these drives, we should come up with some special item from the White House.

Would you please look into this and come up with the appropriate item for this type of award. You should coordinate your efforts with Murray Chotiner, who is already receiving inquiries from Republican organizations on this.

Please forward a report within two weeks.

MEMORANDUM FOR: NOBLE MELENCAMP
FROM: BRUCE KEHRLI
SUBJECT: Parchment Certificates

Attached are the parchment certificates that were approved for mailing to the winners and losers in the November elections. The smaller one (8 1/2 X 11) is to go to the winners as indicated and the larger one would go to the losers. As we discussed on the phone there is really no need for a cover letter. Please let me know when the certificates have been sent. Thank you.

MEMORANDUM FOR : GORDON STRACHAN
FROM : BRUCE KEHRLI
SUBJECT : Research Material from RNC

We receive, on a regular basis, packets of material from the RNC on various aspects of the political situation. They are usually fairly lengthy, averaging about 20 pages. I will forward them to you to review and determine if any of the information should be relayed to Bob.

You should probably start a file of information and, if you have any suggestions for improving either the format or content of the packets they send, please draft a memo for Bob's signature.
