MEMORANDUM FOR

Bob Haldeman

FROM THE PRESIDENT

Your report on Quayle indicates that he might be under the employ of the Democratic National Committee. Find out what the situation is. I imagine Mazo could be helpful on this point, and certainly we must have other methods of jerking it out.

Quayle has worked for Bush in the past and has generally been considered to be a reasonably accurate pollster, although he has been way off as has Harris on some contests. My guess is that in this instance he probably is weighting his polls for political purposes.

MEMORANDUM FOR

Bob Haldeman

FROM THE PRESIDENT

You may recall that I spoke to you about the Young Presidents and we both agree that they are pretty inadequate when you start to find what they can really contribute.

However, I do think you should have a talk with our man from Wichita who has been very active in this group and see if we can't get some of them mobilized.

MEMORANDUM FOR

Bob Haldeman

FROM THE PRESIDENT

Jack Miller is a golf nut. He has been bugging me for a long time to play golf with him. The same is true of Page Belcher. I have no plans to play golf for the next several months, but if I do decide to play on some day remind me to think of inviting one or the other of them on short notice to play with me. The invitation will be probably almost as good as doing it.
