MEMORANDUM FOR:  MR. JEB S. MAGRUDER

THROUGH:       JON A. FOUST  

FROM:           WILLIAM E. NOELLER

SUBJECT: Notification of Official Surrogate Appearances to Interested Political Entities and Elected Officials

As you requested last week, the Advance Office has undertaken the responsibility for making the captioned notifications. We have a full-time, five day a week, volunteer who is currently making the required notification by telephone. Any notification system utilized must be geared to the abilities of the volunteer. In this instance, Ed Couling and I have determined that the telephone notification system is somewhat cumbersome and confusing for the volunteer we have. Since we have an extremely limited choice of volunteers who would be willing to undertake the prerequisite task, we are going to attempt to change from a verbal to a written notification system as soon as possible. For key-state appearances we will design and utilize a pre-printed form memorandum which will list the individuals receiving a copy of the notification. In addition we will have the EMC pre-print address labels for these individuals. In excess of 80 percent of Official Surrogate appearances are in key-states. For non key-state appearances we will use the telephone or the memorandum notification procedure.

The people who will be contacted through the foregoing system will be:

1. GOP State Central Committee Chairman
2. Governor, if GOP
3. Congressman, if GOP
4. U.S. Senator(s), if GOP
5. In some instances, Mayors or County Directors

We will have the Political Division review each mailing list to determine the people who should be added or deleted. Obviously, there will be certain Democrats who will be included, e.g., Mayor Rizzo.

The state Re-election Committee chairmen will continue to be contacted by the Advance Office deskmen.

Home state appearances by the Official Surrogates are not included in the notification procedures described above.

The Honorable Clark MacGregor, Chairman
Committee to Re-elect the President
1701 Pennsylvania Avenue, N.W.
Washington, D. C. 20006

Dear Chairman MacGregor:

Mrs. Anne Armstrong visited our headquarters September 16 for the Canvass Kick-off. The blitz went extremely well, and we wish particularly to commend the advance man for Mrs. Armstrong, Mr. Tim Tyler of Niles, Michigan. As we understand it, this was Mr. Tyler's first advance assignment, and he performed yeoman service. He is a very intelligent young man, of fine appearance and the sensitivity to work well with an existing organization. We here in Orange County are hopeful Mr. Tyler can be returned to our area as an advance man again.

We would like to register the proper address for our Orange County, California Headquarters with your office. It is, as shown on the letterhead and at the bottom of this sheet:

18552 MacArthur Boulevard, #101
Irvine, California 92705
714-633-9050

Apprently one of our city headquarters (Newport Beach) is listed in Washington as the Orange County Headquarters.

May I add a personal note and extend best wishes to you and Mrs. MacGregor. We met last fall at the Iranian Embassy in celebration of the Shah's birthday. I was the guest of Assistant Secretary of Commerce Robert A. Podesta. It was a pleasure to meet you and Mrs. MacGregor at that time.

Our continuing support and efforts are with you for an overwhelming victory.

Sincerely,

Dear John:  

It was indeed a real pleasure to spend some time with you at the Indianapolis meeting last week. The people you assigned to do the advance work on political meetings of this kind have been universally helpful. This is also true of Bob Genader, who handled the Indianapolis meeting.

We continue to pick up warm reports as we get around the country about progress of the campaign. I think it's adding together great.

With every good wish, I am,  

Sincerely yours,

It was indeed a pleasure to work with you on the Indianapolis meeting last week. We appreciate very much the good work you did in advancing this meeting and making things flow so smoothly.

I know when this is all over you will derive a great deal of satisfaction in the knowledge that you helped to assure another four years for a great American President.

Dear Mr. MacGregor:

We’re sending you, under separate cover, the news clippings recording on your comments to news reporters here yesterday.

Meanwhile, I'd just like to say that your tour office was so efficient in setting up this visit that it was pure pleasure to work with them. I think we maximized the excellent press turnout and good timing with a minimum of telephone communications and those days, that's a blessing!

Please come back to Chicago again whenever your schedule allows.

Dear Kev:

My recent visit to Albany, New York, and appearances on behalf of the Committee for the Re-election of the President couldn't have been coordinated more perfectly nor arranged so smoothly without your invaluable assistance.

Your professional expertise along with the magnificent rapport you developed with our hosts helped to make this visit to Albany so successful and certainly more enjoyable and comfortable. I am particularly grateful to you for devoting so much of your personal time to insure the success of our Albany effort. Congratulations on a job well done.

Many thanks, Kev, and I look forward to working with you again.

Dear Tony:

A brief but sincere note to express again my deep appreciation for your invaluable assistance in coordinating my recent visit to Philadelphia, Pennsylvania on behalf of the Committee for the Re-election of the President.

This trip, although arranged at the last minute, was scheduled very well thanks to you, and of course, those in the Committee Headquarters whom you worked so well with. Needless to say, you saved me valuable time on a very tight schedule, allowing me to accomplish that which might have otherwise been impossible.

Many thanks for a superb job. I look forward to working with you again.

Just a short note to let you know that your men in San Diego did a fine job. In spite of the long trip, I think the positive publicity generated was worth it. Hopefully, it will precipitate many other canvass efforts in the Southern California area which is so vital if we are to carry the state for the President.

Best personal regards.

Dear Jon:

Enclosed is a copy of the Herald story of the 28th. The picture is terrible, regretfully, but the story is nicely done. Also enclosed is the daily "El Diario", the little blurb that is published daily at the College...just for your info. When the Pacific Grove Tribune is out today I'll send that story as soon as I can get a copy for you.

We have hashed and rehashed the day's activities for future reference. I personally feel that the day was very productive. I think the honest approach that the ladies presented at least set some of the students to thinking politically and, hopefully, to searching for some honest answers and this was beneficial, if only from that standpoint.

The only area that might have been better covered would be in more positive actions on the Vietnam question. Some of those students are so desperately lacking in depth of approach to anything that we would need a real expert on Vietnam to set them straight. That's food for thought in line with Droge's visit...that could do it! We need someone who can call a spade a spade and have the absolute facts to back him up to penetrate that arena.

The luncheon was a beautiful final touch to activities in Monterey. I'm sure everyone enjoyed it and, hopefully, it was relaxing for the ladies before they had to take on another assignment that evening.

Enclosed are copies of my thank-you notes to those at the college who should receive them. Do you normally follow through on this, too, or rely on the local level to cover this? Dr. Leach is the Head of the Political Science Department at the college and arranged the whole affair, and Phil Nash, a personal friend of Brooks' and mine, helped us in many ways and was one of our escorts.
The luncheon was originally scheduled to be co-hosted by several ladies but I understand from Carol Keaton that it didn't work out that way. She ended up with the job and it, of course, was beautiful. She should be thanked from your end, as well as from the ladies, or however you work it. Her address is: Mrs. Darius Keaton, Box 695, Pebble Beach, Cal., 93953.

I'm sorry to be so long in getting this to you, Jon, but a few other emergencies have taken precedent over this. We loved meeting you and having you here. Let us know the next time you will be arriving and we'll roll out the red carpet for you!

Sincerely,

Mrs. C. E. Walchner

P. S. By the way, Tim Austin did a great job for us. He came in quietly, got to the core of things, was delightful personally and we can't sing his praises enough. It doesn't always work out that way and it was a pleasure to get the job done with cooperation like that.

Washington, D. C., 20006

Dear Mr. MacGregor:

Enclosed is a copy of the story from the Monterey Herald covering the visit of Mrs. Hitt, Mrs. Hodgson and Mrs. Ehrlichman, as well as a copy of my letter to Jon Foust re the visit.

I felt it was highly successful and the ladies made a very favorable impression wherever they went. Upon arrival we took them to the Monterey Herald (the paper on the Monterey Peninsula) for an interview and picture, then to a reception at the Royal Inn for invited guests (mostly hard-working Republicans who needed a shot in the arm at that stage), then to the Monterey Peninsula College for a meeting with the faculty and student body leaders and then an open forum confrontation with the students. The ladies each spoke about ten minutes, then opened it up for questions. There was just enough stimulation to keep things sharp, with Mrs. Ehrlichman fielding most of the questions.

The only weak area in the whole day was the fact that the bulk of the questions were, of course, about Vietnam and the only way that question could be topped would be to have a man like Dolf Drogé come cut and just call a spade a spade, with solid facts to back him up and let it open up. I think this could be just short of sensational. Many of the students these days are living in some sort of vacuum, with blinders, and could use some solid, straight talk. The reason I mention Mr. Drogé is that Brooks Firestone, of our staff here, has been discussing this possibility with Jon Foust. Perhaps you can give us a hand in this regard.

Another thing I wanted to mention was the dedication to a job of young Tim Austin of the 1701 staff. He was the front-runner for the ladies and did an
excellent job. He walked in and got right to the core of things and accomplished what he set out to do. On top of that, he was personally delightful, so it was a pleasure to get the job done with cooperation like that.

I am also enclosing a copy of a paper compiled by Walter Brown, of Seaside, one of the founders of the New Republican Committee (see enclosed clipping). It looks pretty good to me (to be honest, I haven't had the time to check out the dates, so hope his timing is right) and if it were polished up a bit, it might be used on a larger scale than just here in the Monterey County area. It's yours for whatever you might want to do with it.

We have John Connally coming the 11th; Sam Jackson on the 14th (with Bob Keyes out of Governor Reagan's office); the possibility of Rogers Morton's visit on the 25th; a proposed Romney visit and a big old-fashioned 'soul food' barbeque (sounds like fun) in our black area on the 21st. If we could just bring Droge in to cover the young voters and their Vietnam questions, we should have pretty well covered the territory.

We're thinking positively in every direction.

Sincerely,

Mrs. C. E. Welchner

FROM: JOHN R. WILSON

October 2, 1972

Thank you very much for the outstanding job you did in Houston, in preparing for Jack Kemp's visit. I understand the kick-off on Saturday was a definite success and am pleased to be able to say that it would not have been anywhere near as exciting had you not been there.

Since my visit to Houston was the first time I had been assigned the work of this type, your assistance that went far beyond that required of an advance man was greatly appreciated. As I mentioned had you not been there, I would not have been able to go up to Boston and help in organizing the kick-off in that city. Again, many thanks.

Kindest regards.

Dear Jon,

I had the pleasure of working with two of your volunteer advance men for the September 15th kick-off and I want to commend their performance.

Dick Thaler did a great job advancing Senator Scott in Minneapolis. We were working under a tight schedule and things went off like clock work. Senator Scott received a great reception and press coverage mainly due to Dick's efforts.

Roger Rainville pitched right in on the Bismarck, North Dakota project. Although our surrogate was not confirmed until September 14th, Roger did a great job advancing the project as well as co-ordinating many of the last minute details.

My hat goes off to both of them and I look forward to working with them again.

Dear Mr. Foust:

Our Special Canvass Day for the President cum formal opening of Nixon County Headquarters was an enormous success, as you may already have heard from Steve Christensen.

The canvass, headed by Congressman Rhodes and Congressman Manuel Lujan, Jr., went so well that our already super-efficient GOP county organization is considering using County Nixon's format for intensive work in finishing up the countywide canvass!

In addition, the festivities attendant upon our formal opening, after the canvass, turned into a reasonably mind-blowing party. Typical comment: "The GOP image could use a lot more parties like this!"

I want to thank you for sending Steve Christensen here to advance for Congressman Rhodes. Steve was extremely helpful - full of good ideas and workable suggestions and very tactful at twisting arms (including mine). He left behind many friends in Albuquerque.

I would also like to express my gratitude for the fine desk work of Mr. Paul Christian. He dealt beautifully with several potentially heavy situations and was generally indispensable.

Again I was very gratified at the success of the day, and hope that the Committee in Washington was, as well.

Cordially,

Dear Mr. McGeehan,

The visit yesterday of Mr. Edward Cox to Schenectady will be one of the highlights of our campaign '72. The showing of people who came to greet him at our Committee to Reelect the President headquarters truly showed him what a campaign assist this young man is!

I could never have prepared for this event on such short notice if it hadn't been for your advocacy man, Mr. Peter Mill. The smoothness
of this method in reading the script.

The preparations were truly remarkable.

CONFIDENTIAL

MEMORANDUM FOR THE HONORABLE CLARK MacGREGOR

FROM: ROBERT C. ODLE, JR.

Attached is a copy of our weekly report.

AGRICULTURE

1. Our direct mail came off the presses, and we are in the process of hand delivering it to the Farm Families chairmen in the 16 states where it will be mailed: 79,000 to dairy farmers; 146,000 to feedgrain producers, 113,000 to beef producers; 55,000 to wheat producers; 50,000 to soybean producers; 54,000 to fruit and vegetable growers; and 13,000 to cotton producers - total of 510,000. In almost all cases, the farm families are providing their own postage. This alone is a major financial contribution to the campaign.

2. We are also in the process of mailing 5,000 posters which graphically illustrate the rise in agricultural exports during the Nixon Administration.

3. We conferred during the week with some of the midwestern farm magazine editors and farm newspaper editors in an effort to assess the impact of McGovern's charges re the grain sale. The general conclusion is that McGovern has neutralized what should have been a large plus for us. All agree that USDA has just not handled the situation well.

4. Our letters to the editor program, beamed primarily at the weekly newspapers, is well under way.

BLACKS

We met with California CREP State officials and key Black campaign workers. Visited storefronts in Black area and attended fundraiser dinner in Los Angeles.

We met with Chicago key campaign workers and others. Attended the PUSH Expo and PUSH breakfast meeting, with attendance of 400, and also participated in Chicago press conference.

Final brochure (Black Americans) being received and mailed out to key states and cities along with other promotional materials.

We addressed the Olney, Maryland, Republican Women's Club and disseminated promotional materials.

An all-out effort is taking place to include Black surrogates and celebrities in key events around the country to gain additional support.

We mailed campaign manual to all Black state/city chairmen.

CITIZENS

Volunteers coming through the citizens effort are being processed on a daily basis and distributed to appropriate parties within the states responsible for this activity.
We are now directing the names to Bob Marik and Dick Shriver of volunteers for use in the phone centers. We are also making the lists available to the state coordinators. In order to assist the effort, we are calling state chairmen and asking them to conduct a telephone blitz for the specific purpose of obtaining volunteers to man these centers. We are asking Life Underwriters, Multiple Line Insurance Committee, Automobile Dealers, Pharmacists and Community Leaders to undertake this project in key cities where the need is in our key states.

We are also involved in two new procedures to help stimulate the recruitment of volunteers:

1. Telephone Blitz - This is a procedure whereby we are asking our National Committees to ask our state citizen volunteers to take "Four hours for four more years."

2. Personal petition - A mailing to go out this week to all people who have volunteered with a petition-type form.

**LAWYERS**

1. Volunteers - Lawyers Telephone Campaign: The lawyers telephone campaigns are continuing to be conducted and supervision of the volunteers is continuing. The volunteers are referred directly into telephone operations and storefronts within the states.

2. Volunteers - Law Students: We now have law student committees for the President on 95 law school campuses. These committees have been asked to develop petitions which identify volunteers and to forward copies of the petitions identifying volunteers directly to the Nixon Committee in their city. The original petitions are forwarded to Washington.

3. Law School Faculty Members: A letter to all members of the law faculty committee has been developed and is being sent urging their active participation and support.

4. Other Activities: The following programs previously described are continuing: Local Spokesman Program; Media Activity; Convince-A-Client Program; Endorsements and Special Divisions.

**SPANISH SPEAKING**

We received the endorsement of the 16,000 member Grand Council of Hispanic Societies in Public Service, a New York organization of City government employees. Membership is almost exclusively Democrat.
We finalized schedule for the October 15-21 Spanish Speaking Surrogate Tour in the Southwest.

We assisted the November Group and New York Fieldmen in production of Rockefeller radio spots in Spanish.

We organized a 5,000 person Spanish speaking youth rally on October 7 in San Jose, California.

We briefed Stan Armstrong (Phillip Sanchez' new political liaison) on campaign strategy and developed October speaking schedule for Phil and briefed Ray Telles regarding his responsibilities as a Spanish speaking surrogate speaker.

We made arrangements for Olga Gomez to obtain a concession in Federal buildings, a first for Spanish speaking.

Bob Estrada was briefed regarding October speaking schedule priorities for Ed Yturri.

SPECIAL BALLOTS

The overseas surrogate program is continuing on schedule with Senator Narlow Cook's departure on a campaign tour for meetings and fund raising events sponsored by the Re-election Committees in Japan, Thailand, Korea, Hong Kong, Singapore, Vietnam, Formosa and Australia.

Distribution of 250,000 handbills outside 168 military bases in 40 states has been completed. A second wave of handbills will be distributed on October 17 and 18.

The Business Absentee Voter Education Program was completed this week. The Special Ballot Division staff contacted 210 of the 250 largest "Fortune" companies asking them to implement an absentee voter educational program for their management and professional employees. This resulted in 204 companies agreeing to use the program and should generate many additional absentee votes throughout the country.

Mr. Clark MacGregor  
National Director  
Committee for the Re-election of the President  
1701 Pennsylvania Avenue, N.W.  
Washington, D.C. 20006

Dear Clark:

Thank you for your recent memo and the supply of flag pins to present to our campaign staff.

This is a splendid idea and my congratulations to you for implementing the plan. It is one of the seemingly small things that mean so much to our people who are working long hard hours for the re-election of the President here at the local level. I have distributed the pins and have already made arrangements to get more. They were received with joyful enthusiasm and deep appreciation.

Speaking of ordering extra pins, may I take this opportunity to tell you how pleased we are with the supply and material operation you have established under Louis Male and his staff. We have had excellent service and cooperation. Everything seems to be working perfectly. Campaign materials were one of our biggest headaches in 1968 so we are especially aware of and grateful for the marked contrast.

With personal regards and thank you for your leadership and direction. Everything is going well here — I enclose a copy of yesterday's Iowa poll.

Sincerely

Mary Louise Smith
