Dear //////////////:

Few people in American political life have been privileged to know the great sense of achievement we were able to share as participants in the Republican National Convention. What was accomplished in those few days reenforced our common devotion to the principles of our Party, set a positive course for the campaign, and reached out to citizens across the land to help form what I have termed "a new majority."

For these successes we are all deeply grateful, and I want to express my own heartfelt thanks to you for your special contributions as a Delegate to the 1972 Convention. Of course, the real task is still ahead of us. We must work as never before to carry our message to the voters, and it is good to know that we can count on the leadership you provided in August to help bring us to victory in November.

With my appreciation and best wishes,

Sincerely,

RN

In Category 4 are those who will receive only the personalized Convention photo selected above. This includes local volunteers, White House Staff, Republican National Committee Staff and Committee to Re-Elect the President Staff who were active in the Convention.

In Category 5 are those individuals who were involved in the Young Voters for the President Rally at Marine Stadium. This includes each entertainer on that program and the leadership cadre of the YVP group. The personalized photo at Tab D will be given these individuals. Efforts are being made to obtain a color photo similar to the Black and White shown in Tab D. A special photo of the President with Sammy Davis, Jr. is being obtained for presentation to Mr. Davis. Rose Mary Woods will determine if the President wishes to write a special note to Mr. Davis. I recommend the use of this black and white or a similar color photo.

Lists of individuals deserving recognition have been obtained from the White House Staff, the Committee to Re-Elect the President and the Republican National Committee. Note should be made that press personnel have not been included on any of the lists.

The cost of the personalized color photos will be approximately \$3.00 each -- and 400 may be used. The cost of the Presidential certificates will be approximately \$0.60 and 500 may be used.

If quick approval of this proposal is obtained, it is estimated that everything can be printed, signed and mailed by September 11, 1972.

MEMORANDUM FOR: H. R. HALDEMAN
FROM: GORDON STRACHAN
SUBJECT: Presidential Letters and
Watches for Rockefeller
and Seconders

The Presidential letters to Governor Rockefeller and the Seconders are in the courier departing Washington today at 2:00 p.m. Price reviewed the revised texts with Roland Elliott this morning. Three versions for the Republicans, democrats and escorts were approved. Price personally made some changes to the Rockefeller letter. The watches to accompany the letters are also in the courier. The President's signature has been affixed to 9 of the letters. A review of the files indicates that the President usually initials letter to Rockefeller, Buckley and Hickel. The others bear the President's standard signature. Marje Acker has been alerted that this package of materials will arrive today. After her final review, the letters and watches will be sent out today from San Clemente.

The delay in the dispatch of the letters and watches to Rockefeller and the Seconders is my fault. I had been working with Bill Timmons and Stan Anderson preparing an overall Convention thank-you proposal covering Volunteers, Pages, YVP's, Presidential certificates, etc. This proposal is in today's courier. I did not separate and expedite the letters and watches to Rockefeller and the Seconders as I should have in light of your explicit instructions last Saturday. I sincerely regret not explaining these facts to you last night.

Concerning your direction that I call all recipients by 10:00 a.m. PDT, to advise them that the letters and watches were signed and sent from San Clemente, calls have been placed by the White House operators. If I cannot reach the principal, I will advise his office or assistant. The pretext of the call is to check addresses for the material that is being sent today.

Dear Nelson:

Your role at the 1972 Republican National Convention in placing my name in nomination held special meaning for me, but more than that, it reflected a strength in our Party that we have not seen in a number of years. I hope you share my view that a united Republican Party, working to attract Democrats and Independents, can build a new majority that will provide the kind of leadership the nation so vitally needs in the last third of this century.

I am enclosing a small token of my appreciation for your kind words and loyal support, and with it comes the heartfelt thanks of all the Nixons.

With warm personal regards,

Sincerely,

Dear Mrs. Maier:

Your role at the 1972 Republican National Convention in seconding my nomination held special meaning for me, but more than that, it added greatly to the message we conveyed to the American people -- that of concerned, patriotic individuals engaged in the political process. Perhaps the best reward for your efforts will be victory on November 7, but in the meantime I wanted you to have the enclosed as a token of my deep appreciation and the heartfelt thanks of all the Nixons.

Dear Manuel:

Your role at the 1972 Republican National Convention in seconding my nomination held special meaning for me, but more than that, it reflected the great unity and strength of our Party. I hope you share my view that a dedicated Republican Party, working to attract Democrats and Independents, can build a new majority that will provide the kind of leadership the nation so vitally needs in the last third of this century.

I am enclosing a small token of my appreciation for your kind words and loyal support, and with it comes the heartfelt thanks of all the Nixons.

With my best wishes,

Sincerely,

Honorable Manuel Lujan, Sr.
House of Representatives

Dear Frank:

Your role at the 1972 Republican National Convention in seconding my nomination held special meaning for me, but more than that, it added greatly to the message we conveyed to the American people -- that of concerned, patriotic individuals engaged in the political process. Perhaps the best reward for your efforts will be victory on November 7, but in the meantime I wanted you to have the enclosed as a token of my deep appreciation and the heartfelt thanks of all the Nixons.

With my best wishes,

Sincerely,

Honorable Frank Borman

MEMORANDUM FOR: GORDON STRACHAN

FROM: BRUCE MILLER

Attached are the lists of people suggested by staff heads at 1701 to receive thank you's from the White House for their work during the convention.

You will note many of the people suggested are paid full time members of the 1701 staff. Relatively few of the recommendations are volunteers, etc. You may wish to keep this in mind when reviewing the lists. It might be hard on morale to "reward" only a few 1701 people when many not listed were working shoulder to shoulder with those who are.

FROM: ROBERT C. ODLE, JR. *R*
SUBJECT: White House Thank-You
to Convention Personnel

With respect to your memorandum on suggested thank you's to Convention personnel, I would suggest that, if possible, two letters go to members of my staff who I believe from the reports that I've heard did an excellent job in Miami:

1. Stephen B. King, Director of Security, Committee for the Re-election of the President. As you know, Steve was responsible for the security of the Doral Hotel and from what I have heard turned in a top performance.
2. G. Andrew Lawrence, Deputy Director of Administration, Committee for the Re-election of the President. Andy ran the "store" in Miami and served as a sort of office manager for the Committee and White House offices at the Doral. I have heard a number of fine comments on the job he did as well.

MEMORANDUM FOR: H. R. HALDEMAN

FROM: WILLIAM E. TIMMONS *WET*

SUBJECT: NOTES OF APPRECIATION
FOR CONVENTION ARRANGEMENTS

With the convention concluded, I believe it appropriate that recognition and thanks be accorded those who assisted in planning and carrying out the many phases of its operation. Clearly, not everyone participated to the same degree and accordingly I would propose that categories of acknowledgement be established such as the following:

Category 1 -- A letter from the President with a watch.

Category 2 -- A letter from the President with a certificate.

Category 3 -- A certificate.

Those included within each category would be a matter of judgment and subject to your concurrence will be submitted by separate memorandum.

With regard to the Certificate, I believe Lee Huebner has prepared a short expression of thanks which I would propose be superimposed upon a color photo of the President at the convention, and signed by the President. As to the letter, I am sure that Lee can provide an appropriate message.

RECOGNITION OF CONVENTION SUPPORT

Now at the conclusion of a successful convention, Bill would like to send letters acknowledging the support of the many many people who in some way contributed to the overall effort. His proposal is to provide three levels of recognition as a function of each persons degree of involvment. They are:

1. Category I A personal letter from the President and a watch.
Category II A personal letter from the President and a Certificate.
Category III A certificate

To coordinate the above several actions are required.

1. A list of addressees As Bill's deputy, Stan Anderson (ext 2246) has been asked to prepare a list broken down by categories of all people who worked with Bill in planning and executing the convention. Some additions to the list will be made by Gordon Strachan (Bob Haldeman's Assistant ext 2892). Finally Ron Walker will provide a list of the advance team personnel who should get letters and/or certificates. Stan and Gordon have already been contacted and will provide their list by noon Wednesday. Ron Walker has not been contacted but should be today. He is most likely in San Clemente.
2. A CERTIFICATE Bill suggested that we contact the photo office (West Basement) and look through the convention photos and find one of the President on the Podium that would be suitable as a background for the certificate. This should be taken to Sandy Fox (2nd Floor East Wing) who is the White House Caligrapher who will provide advice on how to letter the certificate message over or on the photo as he thinks best. He already has the text which was given him yesterday by Lee Huebner (ext 2214) who is a speech writer and works with Ray Price.
3. THE LETTER FROM THE PRESIDENT An appropriate letter from the President should be drafted today for use with category I and II people. Roland Elliott can do this for you (ext 2276). He has already been contacted by Ron Walker to do a letter for him. Call him (Elliott) after talking to Walker to insure that we can incorporate Walker's list into our own so as to only send one letter.

On Wednesday, when the list of addressees is available, the draft certificate in hand and the letter from the President drafted, put them all together and call Bill Timmons in Florida. Go over the list with him. He will have some re-ordering probably. After getting his chop, give Sandy Fox the list of names for certificates and ask him to get them out as quickly as he can. Give Elouise Frayer the list of addressees for letters and have her get them prepared by Thursday noon (signed by auto-... when all the letters and

certificates are finished, give them to Elouise to hold until you get the watches. See Gordon Strachan about the watches. When all the components are available, send them out as per the list of addressees.

MEMORANDUM FOR: H. R. HALDEMAN
FROM: GORDON STRACHAN
SUBJECT: Thank You Letters and
Certificates for the Campaign

On Saturday, August 26, Ray Price and I discussed the request for thank you letters described in the August 25 memorandum attached. He asked that copies be forwarded to Roland Elliott and Lee Huebner, who is taking Gergen's place for one week. Huebner will do the staff work and Elliott will supervise the drafting.

The celebrities list prepared by Ray Caldiero has been delivered to Ray Price in California. Copies will be used here in Washington by Roland Elliott and Lee Huebner to prepare the appropriate letters as quickly as possible.

Discussion with Ray Price on Saturday, August 25 regarding the Presidential certificate to be sent to participants at the Convention resulted in the delegation of the project to Lee Huebner. He met this morning with Sandy Fox's office (Bill Gemmell) to review the language. Only the name of the individual will be hand lettered to assure quick production. A mockup will be sent to you for approval, hopefully on the August 29 carrier.

Magruder, Chapin, Malek, Moore, and Rietz have been asked for suggested lists of recipients. Bill Timmons is unavailable until September 5, but Stan Anderson is compiling lists from Jon Foust and Bill Henkel and will review the final proposed GS/jb list on Wednesday, August 30.

MEMORANDUM FOR:

RAY PRICE

FROM:

GORDON STRACHAN

The President wants to send letters to all of the seconders at the Convention; also other individuals at the Convention who played a key role. Would you talk with Dick Moore, who will be in California, to develop a list of those who should receive these letters as well as notations from Dick regarding their role so that the letters can be appropriately worded.

In addition, the President wants to send a "Presidential watch" to the seconders and Rockefeller with the note from the President. Steve Bull can acquire the "Presidential watches" for you.

Would you advise me of the status of this project on Monday, August 28?

W/ You should also know that the President will be sending letters to all of the celebrities who attended the Convention and supported him. Ray Caldiero over at 1701 with Jeb Magruder is preparing a list of participation.

THE WHITE HOUSE

WASHINGTON

August 28, 1972

MEMORANDUM FOR: MR. H. R. HALDEMAN

FROM: ALEXANDER P. BUTTERFIELD

SUBJECT: Presidential Expressions
of Appreciation

The attached note to you was in the President's out box Saturday afternoon. I have alerted Ray Price to the President's desires with regard to certificates of appreciation and know that he and Timmons are working out a plan. As you see, the last paragraph indicates the President's willingness to call "5 or 6 who worked on arrangements" before and during the Convention. That being the case, you may want to reconsider Bill Timmons' strong appeal for the President to call Dick Herman in Miami Beach today. He suggests either of two approaches -- (1) a personal call to Herman in his office (Room 223) or his room (Penthouse #4) this afternoon at the Seasons ... during which he might express a simple "thank you" and a birthday greeting to Dick's wife. (Her birthday is today.) (2) A less personal call, but still to Herman, in the Champagne Room of the Fontainebleau Hotel at 4:45 p. m. PDT (7:45 p. m. EDT). At that time Herman and others will be hosting all of the state and local leaders who contributed in various ways to the success of our Convention. In attendance will be Miami Beach Mayor Chuck Hall, Mayor David Kennedy, Dade County Metro-Mayor Dave Clark, Governor Askew, Hank Meyer, newspaper editors, city managers, city councilmen, and many others -- all with their wives. If the President were to make this call, he would not have to speak to anyone other than Herman, but he would want to tell Dick to pass on his thanks to the guests.

(You should know that meanwhile we have proceeded with the "telegram to Herman" plan. Ray Price has reviewed the text with Timmons via telephone, and will be sending it out prior to noon today. Timmons just feels that the phone call -- despite the telegram -- is important because so many Democrats will be at the Fontainebleau gathering.

He reminded me, too, that Herman spent the better part of the past 18 months working on Convention arrangements.)

Ok, prepare recommended telephone call sheet and attach copy of telegram

Disapprove, telegram is sufficient

MEMORANDUM FOR: MR. RAYMOND K. PRICE, JR.

FROM: ALEXANDER P. BUTTERFIELD

SUBJECT: Certificates of Appreciation

Ray:

Please note the attached handwritten comments which the President directed this morning to Bob Haldeman. In all probability, Bob will not see the paper until Monday ... and I thought that meanwhile, because you are the grand mogul of certificates, you should have a chance to review the President's instructions and start the ball rolling. It may well be that we have on hand precisely the kind of certificate described. Please contact me by phone, or here in the office, before Monday noon so that I can give a status report to HRH and/or the President.

Many thanks.

MEMORANDUM FOR: STEVE BULL

FROM: L. HIGBY

Regarding the celebrities party, the President wants to make sure, as we have already said, that he has a picture taken with each one of the celebrities. He wants, however, to make sure that it is done very quickly, without Ollie asking him to turn this way and that and ask for just "one more picture".

After the pictures are taken, he wants them to be immediately developed and have them autographed, "To _____ with appreciation. Richard Nixon" and be sent out, of course, immediately.

This doesn't mean our usual two or three week delay, it means immediately.

Since Bob and the President are both so interested in these certificates, it would probably be a good idea for one of your people to just put together a brief FYI memorandum to Haldeman explaining what our current procedure is, how it is going to be altered in showing samples of each of the certificates we send and to whom we send them to Bob so he is fully briefed on this situation.

THE WHITE HOUSE

WASHINGTON

FOR: LUCY FERGUSON

FROM: STEPHEN BULL *SB*

In a memorandum I received from Gordon Strachan on August 25th, the President wants to send Presidential watches to Governor Rockefeller who delivered the Nominating Speech, and the 11 seconders who delivered the seconding speeches. Some of the seconders were women, so we can use the women's watches that you have. Ray Price has been asked to prepare the letters.

Could you please coordinate with his office and give him the appropriate number of men and women's watches so that they can be sent out with the letters he is doing.

Along this line, you can see that we are exhausting our supply of Presidential watches, and I think we should get 50 more of the men's watches.

Thank you.

Letter to Delegates (Info)

Dear //////////////:

Few people in American political life have been privileged to know the great sense of achievement we shared as participants in the Republican National Convention. What we accomplished in those few days re-enforced our common devotion to the principles of our Party, set a positive course for the campaign, and reached out to citizens across the land to help form what I have termed "a new majority."

For these success we are all deeply grateful, and I want to express my own heartfelt thanks to you for your special contributions as a Delegate to the 1972 Convention. Of course, the real task is still ahead of us. We must work as never before to carry our message to the voters, and it is good to know that we may count on the leadership you provided in August to bring us to victory in November.

With my appreciation and best wishes,

Sincerely,

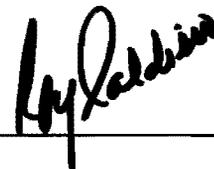

RN

FROM: GORDEN STRACHAN S
AL SNYDER TS

SUBJECT: T.V. Rating Comparison of
Democrat and Republican
Conventions

The attached pages compare the T.V. Ratings of the Democrat and Republican Convention. All obtainable information is presented.

There are three pages for each session. The first contains the New York Overnights by the quarter-hour segments for the three networks and independent stations with the Democrats on the top half and Republicans on the bottom half of the page. The second contains the Los Angeles Overnights by half-hour segments with the same format. The New York Overnights are only available in quarter-hour segments, and the Los Angeles Overnights are only available in half-hour segments. The third page will be the national projection from a seventy city summary. It will show the average rating for each network during common coverage. National projections are not available on a half-hour or quarter-hour basis.

The pages include all the information on New York and Los Angeles Overnights for the Democrats, and the New York Overnights for the Republicans. The Los Angeles Overnights for the Republicans will be available by 10 a.m. PDT on Monday. Also included are the national projections for the Republican Convention. The Los Angeles Overnights for the Republican Convention will be obtained from a Metromedia Vice President in Los Angeles hopefully at 10 a.m. PDT. Similarly the national projections for the Democrats Convention will be obtained from ABC in New York, hopefully at 7 a.m. PDT. These figures will be added to the attached pages.

The actual Neilsen ratings should be available the week of August 28 through September 1. They will be available in quarter-hour and half hour segments, but the average will be very close to the attached 70 city National projections.

The time and rating of three other major Presidential addresses were:

LEADS FROM THE NEWS WIRES -- DATELINE MIAMI BEACH

(AP) President Nixon has solid public approval, 59% to 40%, of his over-all conduct of office, according to the latest Louis Harris poll. The President received decisively high ratings for much of his handling of foreign affairs, but at the same time, those surveyed turned thumbs down on Nixon's domestic record

(AP) California Gov. Ronald Reagan, temporary Chairman of the Convention, said there are three political parties now: Republican, Democratic and McGovern. He said that was the result of a McGovern takeover achieved "in the dark, pre-dawn hours while most Americans slept."

(AP) Sen. Peter Dominick of Colorado told the Convention that Republicans can win control of the Senate in 1972. "We need just five seats." he said.

(AP) Rep. Paul N. McCloskey Jr. of Calif. lost another round in his lonely attempt to mount dissent against Nixon, particularly on the war issue, on the convention floor.

(AP) About 1,000 demonstrators shouted antiwar slogans outside the Convention Hall as the sessions began, but there was no effort to impede delegates going to or from the auditorium.

(UPI) A throng estimated at 1,500 Vietnam Veterans and their supporters, led by three men in wheel chairs, marched to a high school where 800 Florida National Guard troops were billeted today and conducted an antiwar rally. Police said that six persons were arrested.

(UPI) Mrs. Pat Nixon visited the Pennsylvania delegation predicting the Republicans soon will be the majority party.

(UPI) Democratic President nominee George McGovern was tagged with the label of "phony populism" today by the head of the Republican Party's Youth organization.

(AP) The State Dept. said Monday Secy. of State William P. Rogers had no intention to make a "flat prediction" when he said in an interview he thought there will be a negotiated settlement of the Vietnam war either before or shortly after the elections.

(UPI) President Nixon has set up cross country public appearances in Chicago, Michigan and San Diego the day after accepting renomination at the Republican Convention, the White House announced Monday.

NEWS WIRES CONTINUED

(UPI) Jane Fonda, just back from North Vietnam joined antiwar protesters here for the Republican Convention today and said "No amount of bombs is going to break the spirit of the North Vietnamese."

(UPI) Texan Anne Armstrong tonight invited millions of democrats "deserted by McGovern and his extremists" to put party labels aside and join the Republican campaign to re-elect President Nixon.

MEMORANDUM FOR: H. R. HALDEMAN
FROM: GORDON STRACHAN
SUBJECT: Demonstrations - RNC Convention

The best available information from John Dean regarding demonstrators' activities tonight includes:

- 1) 2,000-2,500 are currently massed in Flamingo Park; total available demonstrators 3,000;
- 2) Demonstrators' reconnaissance teams (2-10) are surveying Convention Center and access routes;
- 3) The demonstrators' plan (subject to quick revision) is to concentrate on key intersections and to try to block entrances;
- 4) Some "trashing" by Attica Brigade and Zippies is expected;
- 5) There are "plenty of police" in area and the cooperation with local officials is now very good;
- 6) The local Judge upheld the order directing police to "enforce the law" (i.e. arrests will be made as needed);
- 7) Total arrests until 4 p.m. is 230, with \$250 bond imposed;
- 8) Washington Avenue has been conceded to the demonstrators. They would have to move against that fence to get within the Convention perimeter;
- 9) Meridian Avenue (rear access to the Convention) will be lined with buses from 17th to Dade. This should prevent demonstrators from delaying vehicular access to the Center;
- 10) Rain is expected.

Fred Fielding will be on the scene at the Octagon. Dean and Wilson will be at Security Command Post at the Doral. Fielding and Dean will be on Sierra.

August 21, 1972

MEMORANDUM FOR: H. R. HALDEMAN
FROM: JOHN DEAN 
SUBJECT: Demonstrations at the Republican Convention

Although the outlook for potential demonstrations during the Republican Convention is still not entirely clear, the most significant fact to date is the number of demonstrators in town. Camped at Flamingo Park are approximately 2,000 protestors from all groups. The total number in town expected to participate in protest activities is between 3,000 and 3,500 persons. This small number significantly limits the capability of the demonstrators to disrupt the Convention.

The participants are generally younger than found in normal Washington demonstrations, but more serious than at the Democratic Convention. The leadership is fragmented and no single group seems to be in command. The Miami Conventions Coalition (MCC) - led by Rennie Davis and composed primarily of the Youth International Party (YIP) and the Peoples Coalition for Peace and Justice (PCPJ) - originally was the leading organization. It was the MCC which published the Tactical Manual for the Convention. However, the Vietnam Veterans Against the War (VVAW), which has some 600 members present, has emerged as the dominant group due to the inability of the MCC to control its followers. Other groups such as the ZIPPIES, the Students for a Democratic Society (SDS) and the Attica Brigade act totally independently and formulate their own plans.

ADMINISTRATIVELY CONFIDENTIAL

The real potential for violence rests with approximately 400-500 individuals from the SDS, Attica Brigade, ZIPPIES, and certain members of the VVAW. These are the same persons who demonstrated at the Fontainebleau last night and showed no fear of the police. Some "trashing" and other "May Day" type activity can be expected from these militants, most of whom will probably be arrested before the Convention adjourns.

Due to the small number of demonstrators in Miami Beach, the plans of most groups have been changed to conserve their forces and concentrate on creating the most trouble Wednesday night. The protest activities during Monday, Tuesday and Wednesday are all located principally on Washington Avenue in front of the Convention Hall starting at late afternoon. In this manner, the demonstrators should be able to receive maximum media coverage. Their main goal is to be able to embarrass the Republicans during prime time by forcing the calling of the National Guard. Depending on the success or failure of their activities, all plans can be expected to be modified daily. A tentative schedule is attached.

ADMINISTRATIVELY CONFIDENTIAL

MONDAY, AUGUST 21

Starting at approximately 4:00 pm, a series of demonstrations by substantially all the protestors including MCC, VVAW, Yippies and SDS will be held in front of the Convention Center. A Cuban rally will be conducted during the same time at this location creating a potential for a serious confrontation. Following is a list of the principal events today:

- 9 - 4 pm Senior Citizens Forum to investigate the Nixon Administration at the Jewish Cultural Center.
- 4 - 5 pm Women's march from Flamingo Park to Convention Center with rally in front of the Center. A sculpture of the symbols of oppression of women will be built there. SDS and VVAW will join the MCC in this event. Jane Fonda and Ericka Higgins are expected to address the rally.
- 6 - 7 pm Cubans parade in front of the Convention Center. 1,500 persons are expected to participate. Police will attempt to keep the Cubans and non-delegate demonstrators separated during these two events as was successfully done during the Democratic National Convention.
- 7 pm Vietnamese cultural event sponsored by MCC which is rescheduled from Sunday night.
- 8 pm George Jackson Memorial Day Service in front of the Convention Center sponsored by MCC. Bobby Seale and William Kunstler are scheduled to address the rally.

TUESDAY, AUGUST 22

- 9: 30 - 4: 00 pm Senior Citizens Trial sponsored by MCC continued at the Jewish Cultural Center.
- 10:00 am SDS to demonstrate at "Women at Achievement Brunch" against Romano Banuelos, U.S. Treasurer at the Fontainbleau Hotel.
- 6:30 - midnight MCC sponsored "Street Without Joy" will form a Gauntlet of Shame on Meridian Street and Washington Avenue near the Convention Hall with demonstrators holding up pictures, posters and other displays. At the same time on Collins Avenue across from the Eden Roc and Fontainbleau Hotels a sham naval and air invasion of a Vietnamese village will be staged. Between 7:30 and 8:00 pm all demonstrators will converge on Convention Hall for a "March Against Murder." At 8:30 pm a rally will be held on Washington Avenue in front of the Convention Center. Jane Fonda, Rennie Davis, David Dellinger and other anti-war leaders will address the rally.

WEDNESDAY, AUGUST 23

Day of Unacceptance

- 5:00 am VVAW plan to demonstrate at Key Biscayne. No details available.
- 11:00 am A delegation from the Senior Citizens Panel will present the findings of their investigation at the Doral Hotel. Demands will include acceptance of the Viet-Cong Seven-Point Peace Proposal and the Poor Peoples' Platform. Failure of the Republicans to accept these demands will trigger civil disobedience at the "Day of Unacceptance."
- 1:00 pm SDS may demonstrate at the Deauville Hotel against Gov. Rockefeller.
- 2:00 pm SDS may demonstrate at the GOP Reception of National Federation of Republican Women.
- 4:00 pm Rally at Flamingo Park by all non-delegate groups followed by a march to the Convention Center for the major demonstration of the Convention. Throughout the day a large dike will be built in front of the Convention Center along Washington Avenue. Demonstrators will attempt to encircle the Convention Hall and close down the Convention by blocking access to the Convention Hall. Sit-ins will be staged along Washington Avenue, 17th Street and Meridian Avenue surrounding the Convention site. Mobile civil disturbances will be created in four areas blocking key intersections: along Collins Avenue between 24th and 29th Streets; at 23rd Street and Dade Boulevard; along Dade Boulevard between North Meridian and Prairie Drive; and along Dade Avenue between Alton Road and Michigan Avenue.
