MEMORANDUM FOR: THE PRESIDENT

FROM: HARRY S. DENT 

SUBJECT: Evaluation of Yesterday's
Primaries

Tuesday's primaries across the country produced three significant upsets, all of which may prove to be in our favor.

Governor Peterson was defeated by Meldrin Thomson. Our people knew Peterson's position had weakened for the general election because of the tax backlash but they didn't realize it was enough for him to be defeated in our own primary. Thomson is a conservative and ran against Peterson last time on the AIP ticket. It is expected that with the good Presidential pull at the top and no tax backlash we stand a better chance of holding the seat. Wesley Powell won the Senate nomination. Locally they believe he has a better chance to upset McIntyre because of his pull with conservative Democrats and the strong Presidential race.

Congressman Wayne Aspinall proved to be weaker than expected, so now our campaign people believe we have a better shot at this seat with a good candidate in James Johnson. Thus the race has been upgraded.

In South Carolina we hope to have Ed Young, a first-rate candidate and South Carolina Farmer of the Year, to replace a ghost candidate for the McMillan congressional seat. This would give us an excellent chance for a pickup in view of McMillan's unexpected defeat. McMillan

made a deal which backfired, and finally all of the blacks ganged up on him after supporting him previously.

In Utah two moderate-type Republicans beat back challenges from two Birchers for the two congressional nominations. Congressman Lloyd had been very worried.

In Wisconsin, the victory of State Senator Myron Lotto should enable us to hold onto Johnny Byrnes' seat.

With Governor Davis' friend Luther Hackett as the nominee, we believe we should hold the Vermont governorship.

Our Nevada people are encouraged that we may pick up the one Nevada congressional seat since a very liberal Democrat upset Baring last week.

Lowenstein has won a ruling for a re-run against Rooney in New York. He might be able to worm his way back into the House.

Overall, incumbents continue to have more difficulties than expected.

MEMORANDUM FOR: The President
FROM: Harry S. Dent *HSD*
SUBJECT: Primaries: California
New Jersey
New Mexico
South Dakota

George McGovern won all four primaries Tuesday to give him over 900 delegates and clearly establish him as the biggest vote getter, delegate winner, and primary victor on the Democrat side. He appeared to be winning by 9% in California with 56% of the vote counted. Wallace, getting a 5% write-in vote there, pulled a surprise in New Mexico, finishing second with 29% and half the delegate votes -- all without any campaigning.

The President held Ashbrook to 10% in California, while McCloskey got 6% in New Mexico and one delegate vote.

Senators Eastland, Case, and Metcalf won their primaries. In South Dakota, Rep. Abourezk will be pitted against either ex-State Senator Robert Hirsch or Attorney General Gordon Mydland. (Convention to decide because Hirsch didn't get 35%).

James Meredith was defeated in the Mississippi GOP Senate primary by VW dealer Gil Carmichael 80% to 20%.

McGovern won all 271 delegates in California, 9 (half) in New Mexico, all 17 from South Dakota (no competition), and at least 59 of New Jersey's 109. McGovern expects 80 votes from New Jersey.

Page Two
June 7, 1972

There was no direct head-to-head vote count in New Jersey. McGovern's slate leader got 30,000 more votes than Hill's leader with 80% of the vote counted. It was a defeat for the old Demo machine.

CBS projected only a five point victory margin for McGovern in California. He won big with youth and split the black vote in California and New Jersey. Los Angeles and Orange County almost pulled the Hump through.

HHH says he will keep on, but told his supporters he will see that the Demos are united to beat RN.

CBS also projects 1266 delegate votes for McGovern at convention time to 540 for HHH.

McCloskey beat his two primary opponents 24,000 to 17,000 each.

The President's delegate count now stands at 818, with 674 needed for nomination.

In New Mexico, the Demos nominated ex-State Rep. Jack Daniels to contest with 1970 GOP gubernatorial candidate Pete Domenici who easily knocked off Dave Cargo.--in the U. S. Senate race.

1) Attached is a memo from Larson re: memo that P apparently asked him about plus some additional changes in the polling memo from Strahan.

2) I've handled teleindirect call. You need to return calls from Richardson & Mitchell.

3) Haig called. He just finished briefing Wallace for 1 hr. Wallace's people want to get out the feet of the briefing. Haig has no problem with this. Neither does Zieper. They wanted to check with you first.

4) Frick called. He had talked to the President earlier and reported Schmidt's was ahead. Nixon is now ahead with 75% of the vote counted.

5) The Steward called from Aspen to report that the President told him that HRH and K would be there for dinner this evening at 6:30.

6) Attached also is latest updated memo from Dent plus latest wire copy on the election.

MEMORANDUM FOR THE PRESIDENT

FROM: W. RICHARD HOWARD *WRH*

Per your question to Chuck Colson this morning, Pete Domenici was the clear winner of the Republican nomination for Senate in New Mexico. Domenici is our strongest candidate.

In South Dakota, the Republican nominee for Senate will be decided on June 26 at the South Dakota Convention. The run off will be between Robert Hirsch (who is our strongest candidate) and either Gordon Mydland or Charles Lien, depending on the final vote count.

In the California Democratic Primary, with 88% of the precincts reporting:

| | | |
|----------|-----------|-----|
| McGovern | 1,363,895 | 45% |
| Humphrey | 1,170,873 | 39% |
| Wallace | 156,535 | 5% |
| Chisholm | 138,091 | 5% |
| Muskie | 64,357 | 2% |
| Yorty | 41,952 | 1% |
| McCarthy | 30,049 | 1% |
| Jackson | 24,995 | 1% |
| Lindsay | 23,910 | 1% |

McGovern won by carrying all but 8 of California's 58 counties, but Humphrey polled big majorities in 2 of the state's most populous counties; Los Angeles and Orange.

In the California Republican Primary, with 88% of the precincts reporting:

| | | |
|-----------------|-----------|-----|
| President Nixon | 1,750,782 | 90% |
| Ashbrook | 191,327 | 10% |

New Mexico has now given McGovern 10 delegates to Wallace's 8 (previously reported as a 9-9 split).

However, the percentage remains the same with 97% of the precincts reporting:

| | |
|----------|-----|
| McGovern | 33% |
| Wallace | 29% |
| Humphrey | 26% |

MEMORANDUM FOR: H. R. HALDEMAN
FROM: GORDON STRACHAN **G**
SUBJECT: Campaign Survey - Wave II

John Mitchell decided to meet with Bob Teeter privately at 10 a.m. today instead of at 3 p.m. with his political group as scheduled. The questionnaire will not be discussed at 3 p.m.

Mitchell directed Teeter to make the following changes in the Wave II Survey:

1) Develop and add two follow-up questions on national defense. The first question would cover whether those who believe the government should spend less on national defense believe that because the U.S. does not need such arms or because there is too much waste;

2) Develop and add a welfare question which asks whether those with over 12,000 income should be taxed to assist those with less than 12,000 income. Then a series of welfare proposal questions including the President's and McGovern's would be tested;

3) Develop and add a question on "change" - whether people believe the country needs a radical reorganization;

4) Develop and add a question on the nature of campaigning. The question would be something to the effect that "in light of the Wallace shooting, should the President not campaign in public";

5) Drop the Humphrey's handling of the issues sections;

6) Drop the Richard Nixon-Edward Kennedy trial heats.

The reason the Humphrey section is dropped is because Mitchell wants a Richard Nixon-McGovern poll. The Edward Kennedy trial heats are dropped because Mitchell and Tetter believe people are taking Kennedy at his word that he will not be a candidate and so their answer to trial heat questions are inaccurate. Also, Mitchell believes both Harris and Gallup will supply adequate trial heat results on Kennedy.

MEMORANDUM FOR : THE PRESIDENT

FROM : HARRY S. DENT

SUBJECT: Primaries: California
New Jersey
New Mexico
South Dakota

George McGovern won all four primaries Tuesday to give him over 900 delegates and clearly establish him as the biggest vote getter, delegate winner, and primary victor on the Democrat side. He appeared to be winning by 9% in California with 5% of the vote counted. Wallace, getting a 5% write-in vote there, pulled a surprise in New Mexico, finishing second with 29% and half the delegate votes -- all without any campaigning.

The President held Ashbrook to 10% in California, while McCloskey got 6% in New Mexico and one delegate vote.

Senators Eastland, Case, and Metcalf won their primaries. In South Dakota, Rep. Abourezk will be pitted against either ex-State Senator Robert Hirsch or Attorney General Gordon Mydland. (Convention to decide because Hirsch didn't get 35%).

James Meredith was defeated in the Mississippi GOP Senate primary by VW dealer Gil Carmichael 80% to 20%.

McGovern won all 271 delegates in California, 9 (half) in New Mexico, all 17 from South Dakota (no competition), and at least 59 of New Jersey's 109. McGovern expects 80 votes from New Jersey.

There was no direct head-to-head vote count in New Jersey. McGovern's slate leader got 30,000 more votes than HHH's leader with 80% of the vote counted. It was a defeat for the old Demo machine.

CBS projected only a five point victory margin for McGovern in California. He won big with youth and split the black vote in California and New Jersey. Los Angeles and Orange County almost pulled the Hump through.

HHH says he will keep on, but told his supporters he will see that the Demos are united to beat RN.

CBS also projects 1266 delegate votes for McGovern at convention time to 540 for HHH.

McCloskey beat his two primary opponents 24,000 to 17,000 each.

The President's delegate count now stands at 818, with 674 needed for nomination.

In New Mexico, the Demos nominated ex-State Rep. Jack Daniels to contest with 1970 GOP gubernatorial candidate Pete Domenici who easily knocked off Dave Cargo -- in the U.S. Senate race.

MCGOVERN MOOD

LOS ANGELES (AP)-OUTSIDE, THE SECRET SERVICE FRISKED THEM AT THE DOOR. INSIDE, THERE WERE NO BALLOONS, NO PLACARDS, NOTHING STRONGER THAN SODA POP TO DRINK UNTIL THE CANDIDATE HAD SPOKEN.

STILL, NEARLY 4,000 JUBILANT SUPPORTERS OF SEN. GEORGE S. MCGOVERN ROCKED AND WRITHED AT THE VICTORY CELEBRATION IN HONOR OF HIS CALIFORNIA PRIMARY VICTORY.

CAUGHT UP IN THE SOUNDS OF HIGH-DECIBEL BANDS AND THE ENCOURAGING WORDS OF MOVIE STARS, THE MOSTLY YOUTHFUL GROUP PATIENTLY WAITED FOR THEIR MAN TO TURN UP AT THE HOLLYWOOD PALLADIUM.

THE LAST VICTORY PARTY TO OCCUR THERE WAS 10 YEARS AGO, WHEN EDMUND G. BROWN SR. WAS ELECTED GOVERNOR OF CALIFORNIA.

MCGOVERN FINALLY WALKED ONTO THE RAISE STAGE SHORTLY BEFORE MIDNIGHT, SOME FOUR HOURS AFTER MOST OF THE GUESTS HAD ARRIVED. THEY GREETED HIM WITH A ROAR AND A CHANT OF "WE WANT GEORGE," AND AN OVATION THAT LASTED SOME FOUR MINUTES.

HE SAID HOW GRATEFUL HE WAS TO HAVE WON FOUR PRIMARY ELECTIONS TUESDAY: CALIFORNIA, NEW JERSEY, NEW MEXICO AND SOUTH DAKOTA. "I CAN'T BELIEVE WE'VE WON THE WHOLE THING," HE SAID. THE CROWD WENT WILD.

PD1149AED 7

HUMPHREY MOOD

LOS ANGELES (AP)-HUBERT H. HUMPHREY THREW A SHOCK INTO HIS SUPPORTERS BUT PRODUCED LAUGHTER WITH THE VOCAL TOUCH OF A MASTER POLITICIAN DESPITE DISCOURAGING RETURNS FROM CALIFORNIA'S WINNER-TAKE-ALL PRIMARY.

"I WANT TO EXTEND TO GEORGE AND ELEANOR MCGOVERN MY HEARTIEST CONGRATULATIONS," SAID HUMPHREY, PAUSING, EARLY TUESDAY EVENING. HIS SUPPORTERS, GATHERED IN THE GRAND BALLROOM OF THE BEVERLY HILTON HOTEL, SCREAMED, "NO, NO . . ." THINKING THEIR MAN WAS CONCEDED DEFEAT.

BUT HUMPHREY CONTINUED HIS SENTENCE WITH . . .

". . . ON THE BIRTH OF THEIR GRANDSON."

LAUGHTER AND APPLAUSE FILLED THE ROOM AND THE SURPRISINGLY CHEERFUL MOOD RETURNED.

HUMPHREY, LOOKING WORN AFTER A LENGTHY CAMPAIGN IN THE STATE, APPEARED NEARLY OVERWHELMED BY THE WARMTH OF THE CROWD, WHICH CHANTED "WE WANT HUMPHREY," LOUDLY.

"MARVELOUS, MARVELOUS . . ." SAID HUMPHREY SOFTLY, THEN RAISING HIS RIGHT HAND IN A "V" FOR VICTORY SIGN.

THE CHEERS CHANGED TO "WE'RE NO. 1, WE'RE NO. 1" AND HUMPHREY OPENED HIS REMARKS WITH:

"LET ME JUST SAY THAT YOU'RE NO. 1."

THE DEMOCRATIC PRESIDENTIAL CANDIDATE SPENT NEARLY 15 MINUTES THANKING CAMPAIGN WORKERS AND THEN TOLD THE THRONG THAT HE WAS "ENCOURAGED, HEARTENED. I'M NOT DISCOURAGED. WE'LL STAY WITH IT. WE'LL GO TO MIAMI AND GET THIS NOMINATION.

HE SAID WHATEVER HAPPENED IN CALIFORNIA, "REMEMBER THIS-- WE'VE WON SOME PRIMARIES AND WE'VE DONE VERY WELL IN SOME OTHERS . . . NOT AS WELL AS WE'D HAVE LIKED, BUT WE'RE IN THIS BALL GAME, IN THIS BALL PARK AND WE'LL CARRY THROUGH."
