MEMORANDUM FOR: MR. FLANIGAN

For your information, the President has put very strong pressure on Rog Morton to try to get Bob Wilson to remove Lee Potter from the Congressional Campaign Committee. The President feels that we owe Lee a suitable appointment if this move is successful, so you might keep this in mind.

MEMORANDUM FOR

THE ATTORNEY GENERAL

The President feels that you are the one who should talk to Harry Dent regarding his new role as the political man; that Ehrlichman, Morton and I should be present when you do this; but you should make the basic speech. He particularly wants you to explain clearly the problem with Sears and to make it absolutely clear to Dent and the rest of us who are there that Sears from now on is to report to Dent and is to work under Dent's direction and within Dent's control.

He then wants to make it clear to Dent that if there is any problem in this regard, and if Sears does not follow his directions, Sears is to be let go.

H. R. Haldeman  
Assistant to the President

cc: Mr. Ehrlichman
