Telephone Call

Sunday, November 5, 1972

Paul Ziffren
213/456-2905

Please tell the President:

1. I am confident that he will be overwhelmingly re-elected.

2. I am delighted.

3. I have done whatever I could without creating a credibility gap on my own part.

4. I wish him all the best. I have been proud of the job that he has done as President and only wish Kyle Palmer could have lived to see it.

OLD FRIENDS

Bob (Josie) Abplanalp  Just to thank him for all the things he constantly does to make life much more pleasant and make it possible for you to get relaxation — besides his loyal support over the years.

Elmer (Dodo) Bobst  Just to thank him for being such a loyal faithful friend and supporter over the years.

Murray Chotiner  He keeps on helping out in many ways — and is always constructive in his suggestions. He has been around through a lot — and I think it would mean a great deal to him to have a call from you.
OLD FRIENDS

Helene and Jack Drown
If they are not here -- say you just wanted to say hello for old times' sake and then put Pat and the girls on.

Mrs. Mamie Eisenhower
Just to say hello -- thank her again for the wonderful tape she made for the Convention and which they used around the country.

Barbara and John Eisenhower
Naturally wanted to share your joy with them -- particularly delighted that David could be with you on this night.

Bob Ellsworth
He did a great job of keeping many things in shape in 1968 -- particularly the latter part of 1967 -- his memoranda are still excellent.

Miss Helen Frick
Just because she, too, has been a friend through thick and thin -- and has really pushed hard on this campaign. As you know, she wanted very much to have you come into Pittsburgh -- so you might just tell her (if we carry Pennsylvania) that you knew she and her people were doing such a good job that you didn't need to go in.

Dr. Billy Graham
He has been good on TV shows -- and announced the other day that you were a good, religious man -- and that he had already cast his vote for you via absentee ballot.

General J. Don Hughes
Udorn, Thailand
If there is any way to get through to him in Udorn, Thailand.

Mrs. Hughes
If not, a call to Bette would be the thrill of her lifetime -- she is at Stewart Field in New York.

He has continued to be helpful whenever he can -- and he really worked his heart out in 1968 -- he is still a most useful man -- and very intelligent. Think it would mean a tremendous amount if you were to call him and say you have heard about the memoranda he has sent in, etc.

Kathleen Stans

I am sure Maury is on all other lists -- but Kathleen has really been sick for the last few months and I think a call to her telling her how much you have appreciated what Maury has done -- and know how difficult it has been for both of them, etc. -- hope to see her soon.
