Telephone Call

Sunday, November 5, 1972

Paul Ziffren

213/456-2905

Please tell the President:

1. I am confident that he will be overwhelmingly re-elected.
2. I am delighted.
3. I have done whatever I could without creating a credibility gap on my own part.
4. I wish him all the best. I have been proud of the job that he has done as President and only wish Kyle Palmer could have lived to see it.

OLD FRIENDS

Bob (Josie) Abplanalp	Just to thank him for all the things he constantly does to make life much more pleasant and make it possible for you to get relaxation -- besides his loyal support over the years.
Elmer (Dodo) Bobst	Just to thank him for being such a loyal faithful friend and supporter over the years.
Murray Chotiner	He keeps on helping out in many ways -- and is always constructive in his suggestions. He has been around through a lot -- and I think it would mean a great deal to him to have a call from you.

OLD FRIENDS

Helene and Jack Drown

If they are not here -- say you just wanted to say hello for old times' sake and then put Pat and the girls on.

Mrs. Mamie Eisenhower

Just to say hello -- thank her again for the wonderful tape she made for the Convention and which they used around the country.

Barbara and John Eisenhower

Naturally wanted to share your joy with them -- particularly delighted that David could be with you on this night.

Bob Ellsworth

He did a great job of keeping many things in shape in 1968 -- particularly the latter part of 1967 -- his memoranda are still excellent.

Miss Helen Frick

Just because she, too, has been a friend through thick and thin -- and has really pushed hard on this campaign. As you know, she wanted very much to have you come into Pittsburgh -- so you might just tell her (if we carry Pennsylvania) that you knew she and her people were doing such a good job that you didn't need to go in.

Dr. Billy Graham

He has been good on TV shows -- and announced the other day that you were a good, religious man -- and that he had already cast his vote for you via absentee ballot.

General J. Don Hughes
Udorn, Thailand

If there is any way to get through to him in Udorn, Thailand.

Mrs. Hughes

If not, a call to Bette would be the thrill of her lifetime -- she is at Stewart Field in New York.

OLD FRIENDS

Don (Bim) Kendall
(Boys - Donald and Kent)

Just to thank him for being such a loyal faithful friend and supporter over the years -- he has been a friend in the good years and lean years and has worked like mad during this campaign.

Bunny (new wife Chris) Lasker

Thanks again for great job on dinner and all he has done over the years -- both in and out of office. Both Pat and you are looking forward to meeting and getting to know Chris - congratulations.

Hobart Lewis

Have appreciated his support -- particularly since 1964 -- all the books they have put out, etc. Hope he will continue to be available for his wise counsel in the most important next four years.

Mrs. Gene (Mary) McGovern

Just to say again that you know good old Gene is with us in spirit tonight (remember he was being buried on November 6, 1968 and we did not have final returns in time for you to go out to the service.) (for the amount of money he had - he gave far more than anyone and for this he had to have the support and backing of his wife.)

Clara Jane and Don Nixon

Just to say hello -- might say what a great job Ed has done.

Ed Nixon

Will be at the Shoreham on Election night I believe -- but thank him for the great job he did without having much help -- great impression he made each place he went.

OLD FRIENDS

John Sears

He has continued to be helpful whenever he can -- and he really worked his heart out in 1968 -- he is still a most useful man -- and very intelligent. Think it would mean a tremendous amount if you were to call him and say you have heard about the memoranda he has sent in, etc.

Kathleen Stans

I am sure Maury is on all other lists -- but Kathleen has really been sick for the last few months and I think a call to her telling her how much you have appreciated what Maury has done -- and know how difficult it has been for both of them, etc. -- hope to see her soon.
