Completed Action Memo

P 1858

September 27, 1971

MEMORANDUM FOR:

THE STAFF SECRETARY

FROM:

CHARLES COLSON

SUBJECT:

P-1858 -- Sindlinger

Request

It was requested in Presidential Action Memorandum P-1858, taken from the September 22 News Summary to advise the President when we are going to follow up on his suggestion to get a direct contact with Sindlinger.

Response

Paul McCracken has had an ongoing professional relationship with Sindlinger and at my request had him to lunch last week in the White House. Paul will invite him down again in the next 2 weeks for another lunch at which I will be invited, hopefully to begin to develop a political as well as professional relationship.

McCracken reports that Sindlinger is favorably disposed to us, he is probably a Republican and generally would like to be helpful. He doesn't take commercial work under normal circumstances. I will explore whatever unusual circumstances there are.

We are also including Sindlinger on the October 10 church service guest list as an opening device for what we hope will be closer cultivation.
