Glom Instructions 8-29-72

Stein's 7 points from if into  
foul, punchy hard-hitting  
fact sheet.

Catchy phrase + good turned-phrase  
talking points -

- Trying to create s/g for everybody -  
but all he is creating for everybody  
is more taxes.

Permanent WPA: permanent  
federal payroll debt.

Still talking about \$1000  
thing - he's not repudiated it.  
\$4000 cash for family of  
four is still \$1000 per  
person.

- Calls for a general across the  
board tax increase.

48% tax rate - reduce Surge  
Stein's taxes from 73%

Inflationary - just as inflation  
under control - he comes biggest  
spender of all time - higher  
food prices.

25  
Put the whole country on  
welfare — a nation of 200  
million people dependent on  
gov't handout.

Average guy gets wiped out  
w/ welfare scheme

MEMORANDUM FOR: PAT BUCHANAN

FROM: CHARLES COLSON

John Connally is going on Issues and Answers this weekend. He would like some of our best attack material and talking points. I would suggest that we particularly hit hard on McGovern's refusal to accept any briefings either with Kissinger or, for example, yesterday from Carlucci on the Wilkes-Barre situation.

Also, we should hit the McGovern interview last weekend which was a complete sell-out to the Communists. Connally is the perfect guy to do this. Christian will be in the Connally suite at the Madison this Saturday and will be expecting to receive briefing materials and current attack material from us.

Would you please make sure this gets done?
