Shriver Visit to Machinists' Convention -- 9/11/72

-- Have leaflet printed showing McGovern's votes against Lockheed, SST, and Space Shuttle. Show how he voted against virtually every aerospace project that was ever proposed.

-- He voted to eliminate the SST in 1969, 1970, and 1971.

-- He voted to eliminate the Space Shuttle program in 1970, 1971.

-- He has voted either against or in favor of drastically reducing NASA funding.

-- He voted to terminate the F-14 program and wants to terminate the F-15 program.

In virtually every instance, George McGovern has voted to make America second-best in aerospace and to cut thousands of jobs out from under wage-earners. He is the worst enemy the workingman ever had and certainly the worst enemy the Machinists have ever had.

Leaflets should be handed out to all Machinists at their convention. Also to local press and to press covering McGovern.

If possible, some union members ought to be encouraged to criticize McGovern for cutting out jobs.

Can some signs be whipped up to greet Shriver when he goes to the convention?

QUESTIONS FOR SHRIVER ON MEET THE PRESS

Mr. Shriver: It is no secret to you that your wife is adamantly opposed to liberalized abortion laws. And you were quoted as saying that you, too, differed from Senator McGovern on this question, although in 1970 you said that were you Governor in Maryland you would have signed the liberal abortion law which was then being considered.

As you know, Senator McGovern has said "no law should be in the way" of the implementation of open abortion policies and if he were President he would make abortions freely available in military hospitals -- a policy President Nixon reversed. This issue is of great moral concern to thousands of Americans. Are you going to accept Senator McGovern's open abortion position?

Mr. Shriver: Two years ago you said that marijuana is no worse than alcohol or nicotine and that it has been viewed with a "double standard." (Baltimore Sun, 4/15/70) Do you still hold this view which amounts to a position which would favor legalized marijuana?

Mr. Shriver: Senator McGovern has said this campaign will be one on the issues. Two years ago you attacked Vice-President Agnew saying he "appeals to everything low and mean and bitter in the American character." (Hartford Courant - 9/23/70) And then

you later said, after someone referred to Mr. Agnew as the
"Greek from Baltimore" and that he should be put on a leash:

"I might just add a thought that if they (high elected officials)
don't like (young people) here, maybe they can go back to Greece
with the young people there -- not just to Baltimore, but all
the way back to Greece." (Washington Post, 10/8/70)

Does this unflattering reference to Mr. Agnew's Greek
heritage and the rhetoric you employed mean that you will continue
to campaign with personalities?
