TO: Mrs. Nixon
FROM: The President

I would like for Tricia and you to look over the Executive Office Building office with the decorator and lay out a plan for me. I want particularly a properly proportioned table or desk where I can comfortably do some writing, and a big comfortable chair similar to the one I now have in the Lincoln Sitting Room. I also want the picture rack from New York, and would like to get pictures of the family properly framed so that I can put them either on the desk or on a side table. In addition to those pictures, some of the autographed pictures that I have from the house and also the ones from Eisenhower and Hoover which are in my office in New York should be included.

In decorating the personal office which I will use will you also give the decorator instructions with regard to the bigger room which will be used as a sitting room and the reception room which is right next to it. I would like to have a pretty good book shelf so that I can put some of my favorite books from the library in New York there. For example, Toynbee, Churchill, Lincoln and some of the others which were in my library directly behind my desk.
