"Not going to let them pour through my personal papers, i. e. ,
my letters from my mother, etc. I refuse to let any of it out.

On the personal stuff it is never my intention to set up a
committee. If I die the papers are not be released . If
I have time to look over them I will do that.

Foreign Affairs -- Henry Kissinger

Domestic -- John Ehrlichman/ Bob Haldeman

Personal -- only RN could release them.

3/31/71

No release of any copies of correspondence between RN and anyone else -
~~xxx~~ all of this is private and can not be released by anyone but RN.

The release of any pictures or anything else of the President's must be
ok'd. Maybe we can get Herb Kalmbach into that end of it too. He has

Power of Attorney to do so. Get Herb in and Let's talk about this problem.

Get the things boxed up and sealed -- RN does not want it pawed through -- Clara Jane said she ~~xxxx~~ read such a nice letter I had written to my mother. These are private matters - they should not be public.

If there are things that Don is in -- or his mother etc. , he should have copies -- not originals --they should not take anything without the approval ~~xxx~~ of Herb Kalmbach or RN.
