MEMORANDUM

TO: Clark MacGregor
FROM: Rose Mary Woods

A handwritten signature in cursive script, appearing to read "Rose Mary Woods".

Maybe you will want to have the California people give consideration to the attached suggestion which was sent in to us by someone from California.

"The dammed "so called" two way KABC Radio station out here allows people to call in and give expression to their venom against President Nixon and makes a short snappy cut off when someone calls in to give him credit for his accomplishments.

Frankly, I think out here we need an organized telephone staff to consistently call in on this Radio line and defend and commend President Nixon -- from this day forward right up to the election day. The radicals who are against him certainly have been hard at it for the whole 3 years and something has to be done to counteract their advantage. You know, I'm sure, this station is open to callers from 9 AM to 6 AM the following morning -- 21 hours every day and their audience is numbered into the millions. The criticism has increased so much over the past six months that there is obviously a well established political group in action."
